This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Section 603. Public Housing Authority Plans Reporting Requirement

A. A local organization, Hockanum Valley, provides counseling services to its participants.

B. The Housing Authority has a Resident Services Coordinator that can assist in locating services and/or crisis intervention to assist residents who are victims of domestic violence, dating violence, sexual assault, or stalking. If a problem of this nature arises, the Coordinator will work with the tenant to locate needed services. If necessary, the Housing Authority will commence action against the offending family member and, if requested and available, provide alternative housing to the affected resident.
