Calendar Year 2003

A. Enforcement Actions

Enforcement Action	Baltimore City	State (Outside of Balto. City)	Total
Notice of Violation	157	69	226
Pre-Compliant Settlement	73	46	120
Compliant & Order	30	10	40
Injunction	12	5	17
Total Actions	272	130	402

* Note – Actions taken outside of city, were a combined effort of the Baltimore City Enforcement Staff, and the Statewide Enforcement Staff.

B. Inspections – A site visit to determine occupancy, condition of property, and conduct tenant interview.

Baltimore City	State (Outside of Balto. City)	Total
1149	466	1615

* Note - Inspections taken outside of Baltimore City were a combined effort of the Baltimore City Enforcement Staff (which comprises of 4 inspectors, and one supervisor), and the Statewide Enforcement Staff (which comprises of 2 inspectors, and one supervisor).
- Inspections also include reinspections, of previously visited sites

C. Environmental Investigations- A comprehensive inspection performed in response to a Lead Poisoned Child. An investigation may include the primary, secondary or relocation address(es) where the identified child resides or frequents. This report documents all lead hazards identified during the investigation and recommends risk reduction or complete abatement of the identified hazards.

Baltimore City	State (Outside of Balto. City)	Total
0 *	70	70

* Note – Baltimore City Health Department conducts their own environmental investigation.
