This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Attachment D

Brief Statement of Progress in Meeting 5-Year Plan Mission and Goals

PHA Goal: Improve the quality of assisted housing

a. Improve public housing management: (PHAS score)
It is our goal to stabilize and improve our PHAS score so that the Nicholls Housing Authority remains a High Performing Authority. On 7/1/2006, the Alma Housing Authority entered into a management agreement with the Nicholls Housing Authority. The Alma Housing Authority will use its staff to manage and maintain all aspects of the Nicholls Housing Authority.

b. Increase customer satisfaction.
The RASS survey indicated that Communication between the Authority and its residents was an area needing attention. To address this, the Alma Housing Authority has included the Nicholls Housing Authority residents in the circulation of its monthly Newsletter. This is also the means we use to notify residents of upcoming inspections, pest control and events.

c. Renovate or modernize public housing units.
The Nicholls Housing Authority will continue to use its Capital Fund Program monies to improve its housing stock. However, it has changed the fundamental approach to this task. We have contracted with an architect and Engineer to develop a comprehensive plan to meet the most pressing and immediate needs of the units. Task 1 consisted of the emergency re-roofing of all units. Task 2 will consist of a number of smaller improvements designed to standardize all units and address unfinished work in its previous piecemeal renovations. It will also upgrade the existing electrical service to eliminate obsolete panels and determine the need and direction for any required abatement.

PHA Goal: Provide an improved living environment

a. Implement public housing security improvements.
The Nicholls Housing Authority has implemented HUD protocol for screening its applicants prior to waiting list placement. We have also begun eviction proceedings on residents who do not pay rent or violate HUD's One Strike Policy.

b. The Alma Housing Authority maintenance staff is now responsible for prepping and maintaining units according to UPCS standards established by HUD.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

a. The Nicholls Housing Authority will continue to follow HUD guidelines in the admission and continued occupancy of its units.

b. All qualified candidates for housing will be placed on a waiting list that will be maintained by the Alma Housing Authority Occupancy Department.

Attachment E

Resident Assessment and Satisfaction Survey Follow-Up Plan
