The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Brief Statement of Progress in Meeting 5-Year Plan Mission and Goals

- The Housing Authority maintained High Performing PHA status. The Authority scored 92 out of a possible 100 points on the Public Housing Assessment Sub-System (PHAS) for the 2007 Fiscal Year. This assessment scores the Authority in four areas of management including physical condition, finances, operations, and resident satisfaction. The scores are listed below.

PHAS Indicator	PHA Score	Maximum Score
Physical	29	30
Financial	26	30
Management	28	30
Resident	9	10
Total	**92**	**100**

- Unfortunately, due to internal issues, HUD did not distribute a satisfaction survey this year. The Staff will continue to address resident concerns as needed and make resident satisfaction a priority.

- The Housing Authority continues to use the Capital Fund Program to modernize dwelling units. The Agency Plan includes a schedule of work items projected to be completed in the next five years. Reports are also included on what has been completed in 2006 and 2007.

- The Housing Authority continues to follow HUD guidelines in the admission of applicants and continued occupancy of residents.

Attachment E

Resident Assessment and Satisfaction Survey Follow-Up Plan

Overview

Due to internal issues at HUD no resident survey was completed for FY2007. The Housing Authority was allowed to use the scores from the most recent Survey which was completed for FY2005. Those scores have been included below.

Section:	Score
Maintenance and Repair	92.3%
Communication	73.4%
Safety	81.3%
Services	97.0%
Neighborhood Appearance	82.1%

As a result of this survey, the Housing Authority was required to develop a Follow-Up Plan to address each section score that fell below 75%. The follow-up plan is included below.

Communication

The areas of this section that the Authority scored lowest on were being responsive to questions and concerns and supporting the tenant organization.

In an effort to increase the score, the staff will strive to become more responsive to residents questions and concerns and be more supportive of the tenant organization.

Attachment F

Deconcentration Analysis

The Villa Rica Housing Authority performed a review of all covered developments to determine if there are any that would be covered by the Deconcentration Rule. The results are as follows:

Development	Average Income	Authority Average Income	Percentage
GA107-1	$13,026	$12,889	101.1%
GA107-2	$8,928	$12,889	69.3%
GA107-3A	$11,447	$12,889	88.9%
GA107-3B	$16,368	$12,889	127.0%
GA107-4	$11,844	$12,889	91.9%
GA107-5	$14,735	$12,889	114.4%

The Deconcentration Rule states that all covered developments average income should fall between 85% and 115% of the Authority-wide average income. The table above shows there are two developments that fall outside that range.

Component 3, (6) Deconcentration and Income Mixing

b. ☒ Yes ☐ No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	**Number of Units**	**Explanation (if any) [see step 4 at §903.2(c)(1)((iv)]**	**Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]**
GA107-2	8	Small number of units.	
GA107-3B	8	Small number of units.

Attachment G

Violence Against Women Act Information

The Villa Rica Housing Authority is striving to fully comply with all requirements related to public housing authorities in the Violence Against Women Act (VAWA). The list below includes policies that the Authority has put in place to be in accordance with VAWA.

- Admission will not be denied to an applicant who has been a victim of domestic violence, dating violence, or stalking and complies with or meets all other admission requirements.

- Assistance will not be terminated to a victim of domestic violence, dating violence, or stalking based solely on an incident or threat of such activity. The Authority still retains the right to terminate assistance for other criminal activity or good cause.

- All information provided by an applicant or tenant regarding VAWA will be held in strict confidence and will not be shared with any other parties, unless required by law.

At this time, the Housing Authority does not intend to put a victim of domestic violence admissions preference in place. The Executive Director will periodically review the need for such preference and may add an admissions preference for victims of domestic violence if a need is determined.

To make sure all applicants are aware of the Violence Against Women Act, the Housing Authority notifies all applicants of the information included in the Act during the application process.

Attachment H

Intent to Build Elderly Housing

Due to the recent population growth in and around Villa Rica, the number of senior citizens in the area has increased. Due to this growth, the Housing Authority has recognized a lack of availability of affordable housing for elderly persons and persons with disabilities and other special needs in Villa Rica.

The Georgia Department of Community Affairs encourages new and renovated developments for affordable housing for seniors and special needs residents through its' low-income housing tax credit and bond programs. The Villa Rica Housing Authority is in the process of evaluating the opportunities available to pursue this objective. The Housing Authority's Board of Commissioners has authorized the Executive Director to enter into an engagement contract with the Reznick Group. The Reznick Group will provide strategic planning and financial forecasting. They will also provide assistance with the selection of a development team, debt and equity, and application services.

The Authority will provide more details as the project moves along.
