**8.0 Capital Improvements.** Please complete Parts 8.1 through 8.3, as applicable.

| | |
|---|---|
| **8.1** | **Capital Fund Program Annual Statement/Performance and Evaluation Report.** As part of the PHA 5-Year and Annual Plan, annually complete and submit **t**he *Capital Fund Program Annual Statement/Performance and Evaluation Report,* form HUD-50075.1, for each current and open CFP grant and CFFP financing. |
| **8.2** | **Capital Fund Program Five-Year Action Plan.** As part of the submission of the Annual Plan, PHAs must complete and submit the *Capital Fund Program Five-Year Action Plan,* form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. |
| **8.3** | **Capital Fund Financing Program (CFFP).**<br>☐ Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. |
| **9.0** | **Housing Needs**. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.<br><br>**According to the City of Davenport's Consolidated Plan, the greatest housing needs exist within the very low income households. Additionally, across all income categories, large related families face significantly more housing problems than other family or household types. There is a gap in the availability of units for very low-income households and large related households. Fair market rent is affordable to low-income households at 50% of MFI. However, below 50% MFI households start to have issues with cost burden which leads to overcrowding.**<br><br>**Elderly families and families with disabilities face challenges staying in their own homes because of the need for supportive services that are easily accessible.** |

| | |
|---|---|
| **9.1** | **Strategy for Addressing Housing Needs**. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**<br><br>**The Davenport Housing Commission frequently receives communication from real estate developers considering investment in Davenport. The need for 3 and 4-bedroom rental units is always communicated to those developers. In the past year, construction has been completed on a new low-income housing tax credit property that offers 48 three-bedroom rental units. 14 of those three-bedroom units are now occupied by voucher holders. The complex will double in size in the next year as tax credits have been provided for a second phase, which will increase the availability of three-bedroom units even further.**<br><br>**The Davenport Housing Commission will also maintain a working relationship with housing providers that provide supportive services on-site to the chronically mentally ill and to elderly families, which will allow these families to remain in their own residences.** |

**Additional Information**. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

Following is a report on the progress staff has made in meeting the goals and objectives described in the previous 5-Year Plan:

**Objective**: Reduce public housing vacancies:
**Progress**: The Davenport Housing Commission maintained an almost 100% occupancy rate for the last fiscal year.

**Objective**: Improve public housing management: (PHAS score) maintain standard perform or better:
**Progress**: The Davenport Housing Commission has maintained standard performance status.

**Objective**: Improve voucher management: ( SEMAP score) maintain standard performer status or better:
**Progress**: The Davenport Housing Commission has maintained standard performance status.

**Objective**: Increase customer satisfaction:
**Progress**: The Davenport Housing Commission does not have enough data to quantify progress.

**Objective**: Renovate or modernize public housing units: continue to use Capital Fund Program
**Progress**: In the past year improvements have been made to public housing units using Capital Fund Program funds as well as ARRA Funds. Floor coverings have been replaced and paint updated at several sites. Additionally, at all 42 sites, stoves and refrigerators were replaced with new, more energy efficient models. Finally, plans are underway to replace furnaces and central air conditioning units with energy star rated replacements at selected sites.

**10.0**

**Objective**: Provide voucher mobility counseling:
**Progress**: The Davenport Housing Commission continues to provide mobility counseling and routinely authorizes portability to other jurisdictions.

**Objective**: Conduct outreach efforts to potential voucher landlords: work to increase participating landlords
**Progress**: Staff encourages landlords to list their available rental units in a rental book maintained in the office and made available to participating families. The Assisted Housing Manager also teaches a segment of a class held by the local Police Department to promote better property management. Several landlords have made their properties available to participating families as a result of information they learned at the class, which is held several times a year.

**Objective**: Promote self-sufficiency and asset development of assisted households
**Progress**: Staff has partnered with a local credit union to offer Individual Development Accounts for working families. Unfortunately, no families have successfully received matching funds, to date. However, staff continues to refer families who indicate a desire to begin a savings program. Staff also makes referrals to homeownership programs. Two families became homeowners through the local Habitat for Humanity program this fiscal year.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

**Substantial deviations and significant amendments or modifications are all defined as discretionary change in the plans or policies of the Davenport Housing Commission that change the missions, goals, objectives, or plans of the agency and significantly affect the eligibility for or level of assistance for applicants or tenants. These discretionary changes require formal board approval.**

(c) Violence Against Women's Act of 2005 (VAWA)

**It is the policy of the Davenport Housing Commission not to deny or terminate assistance when the sole violation of family obligations is in connection with being a victim of domestic violence. In such situations, victims of domestic violence will be referred to the Domestic Violence Advocacy program through Family Resources, Inc. and/or to the Davenport Police Department, as necessary. Additionally, the Davenport Police Department will supply housing staff with "Trespass Notices" which will be provided to family members who wish to ban an individual from their home.
