Summary of Activities and Goals

The Boone County Assisted Housing Department administers the Housing Choice Voucher Program under the direction of the Boone County Fiscal Court as the governing board. The U.S. Department of Housing and Urban Development (HUD) is the governing body with requirements developed in 24CFR for operating the program, giving latitude for local policies and procedures. These local policies are incorporated into the Administrative Plan and are binding on applicants, participants, owners as well as the Boone County Assisted Housing Department. Any changes in federal regulations or laws will supersede any provisions within the Administrative Plan.

As the governing board the Boone County Fiscal Court has implemented an Affirmative Action Plan and they are an Equal Opportunity Employer.

The Boone County Assisted Housing Department has a base of 978 Housing Choice Vouchers to administer. Our goal is to provide safe, decent and affordable housing to as many qualified low income families as possible, while staying within the funds allocated by HUD. Also in order to allow these families to be able to rent in all areas of the county we have set the payment standard at fair level to use when determining gross rent. We also have policies governing Fair Housing and Open Records requests.

Boone County Assisted Housing has received a High Performer rating from HUD for the past 7 years.
