1. To work in harmony with the CHA residents toward responsible growth
2. To promote the quality of the environment and residential pride throughout all CHA neighborhoods
3. To be recognized and accepted as part of the community
4. To achieve full marketability and value of CHA's properties

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS**. (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

☒ PHA Goal: Expand the supply of assisted housing
Objectives:
- ☐ Apply for additional rental vouchers:
- ☒ Reduce public housing vacancies: accomplished 98% occupancy for 2004
- ☐ Leverage private or other public funds to create additional housing opportunities:
- ☐ Acquire or build units or developments
- ☐ Other (list below)

☐ Provide replacement public housing:

☐ Provide replacement vouchers:

☒ Other: (list below)

To make McDonald Towers (NY022-003) more marketable. New hallway carpeting has been installed and plans will go out to bid for a new lobby area. We are studying restructuring apartment sizes, but financing is a setback.

We are examining our Saratoga Sites project as it is a bad location, not convenient to schools, directly adjacent to railroad tracks, adjacent to an aggregate plant, and we have ongoing water pipe and sewer line problems, as well as wet basements. We are exploring financing for relocation with scattered sites.

To continue our successful working relationship with the City of Cohoes in regard to police and fire protection and education. We now have a cooperation agreement to walk the police drug dog on our sites as a deterrent to crime

We are partners in the school system with Even Start Grant.

We have been successful with our original goal to be an accepted part of the community.

The Executive Director represents Housing as a member of the Chamber of Commerce and Board, Cohoes Rotary, Cohoes Youth Bureau Board, Character Counts Committee, and work with local organizations.

We have been successful in our goal to improve housing in the City of Cohoes by using City Code and their Code Enforcement officer to do our Section 8 inspections.

☒ PHA Goal: Increase assisted housing choices

Objectives:

☐ Provide voucher mobility counseling:

☒ Conduct outreach efforts to potential voucher landlords

☐ Increase voucher payment standards

☒ Implement voucher homeownership program:

☐ Implement public housing or other homeownership programs:

☐ Implement public housing site-based waiting lists:

☐ Convert public housing to vouchers:

☒ Other: (list below)

Continue to work with the City to hold landlord workshops

Collaborate efforts for Homeownership for Section 8 with Albany and local housing authorities work group

HUD Strategic Goal: Improve community quality of life and economic vitality

☒ PHA Goal: Provide an improved living environment

Objectives:

- ☐ Implement measures to de-concentrate poverty by bringing higher income public housing households into lower income developments:
- ☐ Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
- ☒ Implement public housing security improvements:
- ☐ Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
- ☒ Other: (list below)

We have adopted a de-concentration policy as required by HUD but do not have a problem in our developments. Also, with a 40% requirement of the very low income and our occupancy rate staying at 98% there is not a great opportunity to admit higher income applicants.

We stress maintenance pride in our grounds and apartments, and have a planting day in the spring for flowers at the sites.

We are continuing our after school programs, although we had to cut hours with loss of PHDEP funds

We are continuing our youth theater and computer classes, although it is a struggle without PHDEP funds. Our theater group has performed at the Cohoes Music Hall, Cohoes elementary school, Cohoes annual festival, and Stillwater High School.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

☒ PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- ☒ Increase the number and percentage of employed persons in assisted families:
- ☒ Provide or attract supportive services to improve assistance recipients' employability:
- ☒ Provide or attract supportive services to increase independence for the elderly or families with disabilities.
- ☐ Other: (list below)

We promote self-sufficiency with the Section 8 FSS Program and ROSS grant for Public Housing FSS Program.

We will continue referral services to local and county organizations as well as establishing social programs at the senior high-rise.

We received a 3 year ROSS Grant for Senior Advocate at our McDonald Towers Building. This has been a beneficial program the seniors have come to depend on. The new grant partners with the Senior Citizens Center and provides a

Wellness Program, independent living assistance and community center memberships for physical fitness.
We will continue to encourage resident employment and businesses through capital fund program. We have had four successful cases of residents moving on and purchasing their own homes.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

☒ PHA Goal: Ensure equal opportunity and affirmatively further fair housing
Objectives:
- ☒ Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
- ☒ Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
- ☒ Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:
- ☒ Other: (list below)

We presently have many different ethnic groups and we are listed with referral agencies and churches and offer on site ESL classes

Other PHA Goals and Objectives: (list below)

ii. Executive Summary of the Annual PHA Plan
[24 CFR Part 903.7 9 (r)]
Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Cohoes Housing Authority has accomplished many of it's goals in the past four years. We are once again a high performer for the past three years in public housing and a high performer in Section 8; we are staying at 98 % or above occupancy; we are an accepted, acknowledged part of our community.
The CHA's goal is not only to provide safe and decent housing, but to have residents take pride in where they live. Our comprehensive grant programs have made physical improvements including landscaping, and our maintenance staff keep the grounds well groomed for a pleasant outside appearance. The CHA has experienced great infrastructure problems this past year. Apartments at Manor Sites experienced broken sewer lines below the concrete slab base which was very difficult and expensive to fix. We also experienced a plumbing problem at McDonald Towers and had to dig up concrete in the flooring. At Saratoga Sites, damp basements are causing a problem and basements have to be dehumidified and cleared of any problems. The buildings are aging and becoming more expensive to repair. With budget cuts we are facing and aging buildings, it is difficult to maintain our housing in the custom our residents have become comfortable with. We are in search of funding to consider relocation of our Saratoga Sites development. Its location has always been a problem for transportation to work and schools, it is located next to the railroad tracks, it is located on a main highway through the city and it experiences a dust problem from a nearby aggregate plant.
Section 8 inspections use city codes and are performed by the City Code Enforcement Officer. We work closely with Section 8 landlords and serve as a middle person with tenant problems. We participate in landlord workshops with the City. We are now working with the City on solving the problem of landlords who do not pay their taxes. It does not seem practical that landlords are allowed to collect government funds and do not fulful their obligations as tax payers. With the shortage of Section 8 funding, we will lose approximately 30 vouchers this year. We have written a Section 8 action plan to reduce costs, but many of our ideas were

rejected by HUD Washington. We are in a crisis with the program and have stopped taking applications, are not reissuing any vouchers and may have to eliminate vouchers from people already participating in the program.
We do police background checks on all applicants, S8 as well as Public Housing, and have a strict policy for qualification. We work closely with the Cohoes Police Dept. on checking arrest reports and move for eviction on any drug or violent criminal activity arrests. We have a cooperation agreement with the Cohoes Police K9 unit and walk the dog through our developments.
In both programs, residents are re-certified on a one on one basis to encourage honesty in reporting income. Penalties for fraud are visibly posted on our bulletin board.
Self- sufficiency is encouraged and Section 8 has had successful programs with many graduates. We also have a homeownership program, that the FSS Coordinator also runs, with 8 participating in classes and one mortgage ready .
FSS Program for public housing is a new grant we have already begun marketing for participation.
The Board of Commissioners meet on a monthly basis and review detailed reports on budget information and other procedures as well as policy issues.
The CHA has adjusted budgets in the struggle to keep programs going now that the PHDEP monies has ceased. We have had to cancel computer classes, and cut hours at our after school program and youth theater. We are continuing the after school program with less hours, and have continued our Youth Acting group which has been very successful throughout the community. If we continue to take cuts in the operating budget and capital fund programs these programs are in jeopardy. We will continue to actively encourage our legislators and HUD to try to find a replacement program for PHDEP.
CHA has been successful in finding some income sources such as rental space on our building for phone companies, laundry machines and vending machines.
We are concentrating on the utilization of McDonald Towers apartments. We have a very short wait list and the apartments are small. Our turn around time is hurt with the average turn around time at the Towers. We have completed carpeting the hallway for a better appearance, and are making a lobby in the front hallway, and evaluating combining units to make apartments larger. There are two other elderly buildings in Cohoes and a new one that opened in the summer, therefore, the market is very competitive. Our building cannot compete with new structures.
We have purchased property near our Roulier Heights development and have made a parking lot. Parking continues to be a problem in all developments, as when they were built, people did not all have vehicles as they do now. We will continue to try to address the parking problems.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Turn over vacancies quickly to serve applicants. For elderly we do outreach in local newspapers and church bulletins and with the Senior Center

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☒ Reduce turnover time for vacated public housing units
- ☒ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☒ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☐ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

Because of shortage of funds, our Section 8 wait list is closed and we are not reissuing vouchers. Our budget for 2005 has a $70,000. shortfall and we will not be able to lease up vouchers this year. We have had to lower the payment standard to try to reduce costs. However, we feel this will discourage landlords from participating in our program. They will certainly take a non-participating applicant that will pay more rent before they will take a Section 8 applicant. We have had applicants in need calling our office asking when they will get assistance and we cannot accommodate them. All area housing wait lists are also closed so our Tri-City area is left without any on going Section 8 assistance. This budget cut has caused a housing crisis for our area and our housing authority.

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- ☐ Apply for additional section 8 units should they become available
- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☐ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☐ Other: (list below)

These forms should be adjusted to fit the new crisis of Section 8. There is no funding available and funds have been cut so drastically we cannot meet the needs of our community.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI
Select all that apply

☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
☒ Employ admissions preferences aimed at families with economic hardships
☒ Adopt rent policies to support and encourage work
☐ Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI
Select all that apply

☒ Employ admissions preferences aimed at families who are working
This is hard to obtain with 40% PH and 75% mandatory requirements for extremely low
☐ Adopt rent policies to support and encourage work
☐ Other: (list below)
Section 8 FSS Program
Public Housing FSS Program

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:
Select all that apply

☐ Seek designation of public housing for the elderly
☐ Apply for special-purpose vouchers targeted to the elderly, should they become available
☐ Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:
Select all that apply

☐ Seek designation of public housing for families with disabilities
☐ Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
☐ Apply for special-purpose vouchers targeted to families with disabilities, should they become available

☐ Affirmatively market to local non-profit agencies that assist families with disabilities
☒ Other: (list below)
We have handicapped units at all developments. We do outreach to disabled that need assistance for the application process

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

☐ Affirmatively market to races/ethnicities shown to have disproportionate housing needs
☒ Other: (list below)
We work with local church groups who sponsor immigrants and we offer ESL classes on site

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

☒ Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
☒ Market the section 8 program to owners outside of areas of poverty /minority concentrations
☐ Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

☒ Funding constraints
☒ Staffing constraints
☐ Limited availability of sites for assisted housing
☒ Extent to which particular housing needs are met by other organizations in the community
There are three senior developments in the City and a new facility just opened.
☐ Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
☐ Influence of the housing market on PHA programs
☐ Community priorities regarding housing assistance
☒ Results of consultation with local or state government
☐ Results of consultation with residents and the Resident Advisory Board

☐ Results of consultation with advocacy groups
☐ Other: (list below)

The City of Cohoes administration feels there is an adequate amount of low income housing for its population.
Above listed constraints due to section 8 funding

SECTION 8 HOMEOWNERSHIP

The Cohoes Housing Authority has developed a Home Ownership Policy for Section 8. . We have met with area housing authorities, led by Albany Housing to have consistency in all of our plans.

We have met with two companies, a bank and a credit union, that would be able to assist in a first time homebuyers mortgages. We will be contacting Albany Rural housing to try to form a partnership in order to do the pre/post counseling sessions.

We presently have four candidates interested in participating and one candidate mortgage ready. We will be using our existing Housing Choice Vouchers, and FSS participants will have preference. We estimate it may take a year to have them ready for actual mortgage qualifying.

We have attended several workshops and conferences to help coordinate the plan.

De-Concentration

The Cohoes Housing Authority will avoid concentrations of the most economically and socially deprived families within any of the Authority's housing developments.

The Cohoes Housing Authority will monitor Resident Income by development on a six (6) month basis. Demographics will be compared by site to insure a specific site is not concentrated by very low-income families.

The location of the developments is not a controlled issue in regard to census tracks nor not is availability a census track income. However, the overall statistics available will be listed as a consideration.

The CHA is presently at 97% occupancy or above and has maintained a 95% occupancy or above for the past three (3) years. Therefore, monitoring income admissions will be controllable for percentages of admissions.

We presently show no sign of concentration of specific income levels in a particular site. However, a pattern of low income is evident.

The following steps will be take to show effort to increase income and to ensure income mixing as well as meeting the 40% requirement for extremely low income.

1. A working preference has been established in preferences.
2. The FY2000 budget will include a line item for an investigator. This has been proven by CHA Section 8 Program to be successful in avoiding program abuse and 50% income on back charges.
3. Re-certification process is done on a one to one basis and a personal declaration signed by the tenant is used to encourage tenant integrity in reporting full income.
4. Selection from the waiting list will allow skipping over names to admit high-income families. To ensure equal distribution, it will be done on an alternating basis. (High-Low)
5. Our selection policy will include admission of applicants up to and including low-income families or the highest income limit allowed by HUD.
