This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Violence Against Women Act-Policy

The Fort Madison Housing Authority has adopted per Board of Commissioners Resolution a policy for Violence against Women. (Plan suggested by HUD Staff Kathy Winter). The Board of Commissioners reviewed the policy and moved to approve at the annual meeting in July 2007 after conducting the public hearing for the annual agency plan.

No programs were established specifically for the Violence Against Women Act; however referrals to local agencies are made when necessary.

**All** program recipients, Public Housing families, elderly families, disabled families, Housing Choice Voucher families, and Housing Choice Voucher property owners were/ are given a flyer regarding the Violence against Women Act at all initial briefings, and also at all annual recertification's. Property owners are mailed copies with the annual renewal cortication forms.
