This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Lincoln Housing Authority
VAWA Support and Assistance Statement

The Lincoln Housing Authority has incorporated in its PHA Plan goals and objectives, and policies and procedures the applicable provisions of the Violence Against Women and Reauthorization Act of 2005 (VAWA) to support or assist victims of domestic violence, dating violence, or stalking.

The PHA goal to provide an improved living environment is being met by the PHA by its effort to implement measures to assist victims of domestic violence in avoiding their abusers and continuing occupancy in public housing.

Pamphlets are given to each new tenant and the program is explained. Information about VAWA is given to tenants at lease up and also re-certifications.

In addition, the PHA has amended its policies and procedures to include language and applicable provisions of the VAWA. It is the PHA's intent to maintain compliance with all applicable requirements imposed by VAWA.

The PHA efforts may include to:

- Provide and maintain housing opportunities for victims of domestic violence, dating violence, or stalking;
- Ensure the physical safety of victims of domestic violence, dating violence, or stalking (whether actual or imminent threat) who are assisted by PHA; maintain compliance with all applicable requirements imposed by VAWA.
- Take appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting families or individuals assisted by PHA.

The Resident Service Coordinator is on staff to address any issues concerning domestic violence situations. LHA has trained its staff on the required confidentiality issues imposed by VAWA.
