OMB No. 2577-0226
(exp. 05/31/2006)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

The Brewton Housing Authority will comply and support the Violence Against Women and Justice Department Reauthorization Act 2005:

HUD published Notices: PIH 2006-23 and PIH 2006-42 for Implementation of the Violence Against Women and Justice Reauthorization Act 2005 (VAWA). The VAWA prohibits the eviction of, and removal of assistance from certain persons living in public or Section 8 assisted housing if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking as those terms are defined in Section 3 of the United States Housing Act of 1937 as amended by VAWA. The HA distributed notices to all residents informing them that the HA would not evict or terminate victims of criminal domestic violence, dating violence, sexual assault or staking, as well as members of the victims' family listed on the dwelling lease. The HA would only take action to have the person committing the violence removed from the dwelling lease for the protection of the family. Based on the requirements contained in HUD Notice 2006-23, the HA developed certification forms for victims to certify that the alleged incident of abuse are bona fide and agree to have the alleged abuser removed from the dwelling lease. (AHA certification form and HUD form 50066). The HA will also allow the victim and remaining family members to relocate for safety reasons to another public housing development managed by the HA. To inform new public housing households of the requirements of VAWA, the HA developed a notice that is covered with the Public Housing household during the leasing session. Each person participating in the lease session is also required to sign the notice that explains the requirements of VAWA.

It is the goal of the HA not to evict any public housing resident who is a victim of violence covered under VAWA and that certifies to the alleged abuse and complies with the terms of the certification.
