5.1 Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years:

The mission of Chama Housing Authority is to promote adequate, affordable housing, and a suitable living environment for the families we serve, without discrimination. The mission shall be accomplished by a fiscally responsible, creative organization committed to excellence in public service.

5.2 Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

The Chama Public Housing Authority will focus on three major areas: **Housing Management**, **CFP Grant Program** and **Maintenance**.

The Housing met the goals in the previous five years by being successful in rent collection, lowering the vacancy rate and maintaining the management standards. The CFP programs have been obligated and expended in a timely manner. In addition, the maintenance staff continues to be aggressive with work orders and provide additional assistance to reduce the amount of vacant units.

8.3	**Capital Fund Financing Program (CFFP).** ☐ Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	**Housing Needs**. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. The North Central Region comprises of Rio Arriba County. This region can be characterized as a high cost region. This region also has a significant cost burden among both renters and owners. Upward pressure on housing prices in Santa Fe, Taos, and Rio Arriba Counties means that affordability is the greatest housing problem. The priority housing needs in this region are for special needs populations, especially the mentally ill, homeless families, the elderly, and people with HIV/AIDS. There is also a priority need for deep subsidies for both renters and homeowner/homebuyers. This includes flexible financing and new development. Accordance with the housing market analysis of the Consolidated Plan, Rio Arriba satisfies the criteria of a "high-needs" county. Counties are considered high-needs if they satisfy at least three of the following criteria: • More than 6 percent of housing units are overcrowded; • More than 20 percent of housing units are mobile/manufactured homes; • More than 20 percent of its population living in poverty; or • More than 50 percent of the county's population earning less than $20,000 is cost burdened. The population of the Rio Arriba is 40,692 according to the 2008 Census Bureau. The median family income in Rio Arriba County is $37,260, and per capita income is $14,263. The percentage of individuals living below the poverty level is 20.3%, which equates to 8,260 families. The poverty rate of families with a female head of household was 26.0%., for elderly 22.9%, and for families with disabilities 24.7%. About 36% of renter households in New Mexico were classified as cost burdened in 2000, for those living in the Rio Arriba County 19.6%.

9.1	**Strategy for Addressing Housing Needs**. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.** (a) The Village of Chama Housing Authority will follow HUD's suggested guidance to help address our housing needs through the following approaches: o The Village of Chama Housing Authority will maximize the number of available units for families that need to be assisted. o HUD's mandated requirement to reserve 40% of new admission during the fiscal year for extremely low-income families (ELI is defined as those families at or below 30% of the area median income). o Adequately manage our vacancy levels to utilize between 98% and 100% of available units. o Continue the $50 minimum rent requirement for those families that don't qualify for a waiver exemption to ensure overall rent burden is not excessive. o Monitor to ensure overall tenant rent burden is not excessive. o Continue to use Capital Funds to improve housing stock.

10.0	**Additional Information**. Describe the following, as well as any additional information HUD has requested. (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. ***See statement on Block 5.1*** (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" • Substantial Deviation from the 5-Year Plan. o The Village of Chama Housing Authority will consider the following definitions to be significant amendments or modification to the 5-year plan and annual plan for the purposes of submitting a revised plan and meeting full public process requirements: ▪ Changes to the admission policies ▪ Changes to the organization of the Waiting List (An exception may be made for any of the above definitions that are adopted by the Village of Chama Housing Authority in response to changes in HUD regulatory requirements.) • Significant Amendment or Modification to the Annual Plan o The Village of Chama Housing Authority will consider the following definition to be significant deviations to the annual plan for the purposes of submitting a revised plan and meeting full public process requirements: ▪ Changes to the Village of Chama Housing Authority overall mission. ▪ Changes to the goals and objectives that affect services to program participants. ▪ (An exception may be made for any of the above definitions that are adopted by the Village of Chama Housing Authority in response to changes in HUD regulatory requirements.) **VIOLENCE AGAINST WOMEN AND DEPARTMENT OF JUSTICE REAUTHORIZATION ACT OF 2005 (VAWA)** Information regarding the Village of Chama Housing Authority's goals, objectives, policies, or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault, or stalking. • The Village of Chama has adopted policy in the Occupancy and Admissions Policy to address VAWA.
