**5.1** **Mission.** State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years:

The Prague PHA's Mission is: The same as that of the Department of Housing and Urban Development: To promote adequate affordable housing, economic opportunity and a suitable living environment free from discrimination.

**5.2** **Goals and Objectives.** Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

1. Improve management of public housing by evaluating and implementing and/or updating policies and procedures.
2. Enhance the marketability of public housing units by making physical improvement to the property.
3. Improve the quality of assisted housing by strategic use of Capital Fund Program funds.
4. Ensure equal opportunity in housing by making reasonable accommodations according to established guidelines.
5. Increase opportunity for resident input by conducting at least one Resident Advisory Board meeting each year.

Progress on goals of the 2005 – During the last five years improvements to the management of the Prague PHA have been a consistent theme for the Prague PHA's Board of Commissioners. These efforts resulted in the Board ultimately looking at the question of whether or not to hire a new Executive Director or to select another option when the position of Executive Director became vacant. Their decision was a difficult one but with HUD's guidance it ultimately resulted in a Cooperative Agreement with the Housing Authority of the City of Shawnee, OK for management services in August, 2005. Ensuring the rating of a High Performing Housing Authority was a goal that was achieved under the Cooperative Agreement. In addition during the five year period, the Prague PHA was able to use Capital Fund to modernize the public housing units replacing hot water tanks, problem HVAC systems, and several showers. A picnic area was installed and new washers and dryers for the laundry room were purchased. Handrails were installed throughout the property and new fencing was completed.

Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.<br><br>The Draft Consolidated Plan for the State of Oklahoma for 2010 is the applicable Consolidated Plan. For the state as a whole it contains voluminous amounts of information related to the requested information above, however for the City of Prague the information is quite limited. The State Consolidated Plan provides information related to the county as opposed to the City of Prague. For Lincoln County there is a need for 371 homeownership units. The demand for single family units is greatest and, specifically, in units below $105,000.00. There is a need for 93 rental units that have rent below $500. The need is greatest countywide. The economic conditions are stable and the 2000 census population in the county was 32,080. The median household income was $33,937 in 2001. The average single family sale price in Lincoln County is $44,432 and average rent per square foot was not available. The average vacancy rate was 4%.. There has been moderate custom and speculative development esp. outside of Chandler.<br><br>The Housing Authority has 5 applicants on the family waiting list (three and four bedroom) and 57 on the elderly waitlist (one and two bedroom). On the elderly waitlist 52 of the elderly households are White, three are Black, and 2 are Native American. On the family waiting list, 4 families are White, and 1 is Black or African American. |
