SUBJECT: **Interim Obligation Letter**, Public Housing Operating Subsidies, LOCCS/PAS Project No. MN00100000110D

Dear Mr. Gutzmann:

This letter obligates $677,158 of Operating Fund subsidy for the months of February 2010 through May 2010. The amount of the interim obligation is based on this project's calendar year estimated eligibility. (Projects receiving funding in this interim obligation, but not included in the initial obligation, are funded for five months.) For more information on the methodology used to estimate both subsidy eligibility and funding availability, please see http://www.hud.gov/offices/pih/programs/ph/am/of/2010expln-initial-oblig.pdf

Please note that the estimated eligibility for this project may vary from its final eligibility determination. Total operating subsidy eligibility and funding amounts for all PHAs, and therefore proration levels, may change once all FFY 2010 operating subsidy forms and revisions have been processed. Adjustments will be made based on approved FFY 2010 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through *e*LOCCS. Instructions for the use of *e*LOCCS are in Notice PIH 2002-28 (HA), Use of *e*LOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

SUBJECT: **Interim Obligation Letter**, Public Housing Operating Subsidies, LOCCS/PAS Project No. MN19200000110D

Dear Jeffrey Schiffman:

This letter obligates $15,732 of Operating Fund subsidy for the months of February 2010 through May 2010. The amount of the interim obligation is based on this project's calendar year estimated eligibility. (Projects receiving funding in this interim obligation, but not included in the initial obligation, are funded for five months.) For more information on the methodology used to estimate both subsidy eligibility and funding availability, please see http://www.hud.gov/offices/pih/programs/ph/am/of/2010expln-initial-oblig.pdf

Please note that the estimated eligibility for this project may vary from its final eligibility determination. Total operating subsidy eligibility and funding amounts for all PHAs, and therefore proration levels, may change once all FFY 2010 operating subsidy forms and revisions have been processed. Adjustments will be made based on approved FFY 2010 applications.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through *e*LOCCS. Instructions for the use of *e*LOCCS are in Notice PIH 2002-28 (HA), Use of *e*LOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.
