

		Advice No:	
		Date:	
		Period Covered:	Fiscal Year
Description	Current Allotment	Change Authorized	New Allotment
<p>Remarks:</p> <p>The funds in this allotment represent a limitation on gross obligations which may be incurred during Fiscal Year 2002. Gross obligations represent all obligations which are entered into during Fiscal Year 2002, whether out of new funds, carryover balances or funds which become available during Fiscal Year 2002 as a result of the deobligation (recapture) of prior year obligations. However, the cancellation of an obligation made during Fiscal Year 2002 and its subsequent reobligation during Fiscal Year 2002 will not be double-counted against gross obligations.</p>
