Main Contacts for EZ/EC's Now Identified at HUD Headquarters

March 7, 2000

New changes in the Empowerment Zone/Enterprise Community (EZ/EC) Initiative Office at HUD Headquarters will allow the office to better serve you! Two new staff, Lisa Hill and Cat Carrales, will serve as the main points of contact for the ECs. Jennifer Vey and Tanya Barvenik now serve as the main points of contact for the Empowerment Zones. We hope this will clarify for EZ/EC Main Contacts, Network Public Trust Officers and Community Builders who you should contact first here at the HUD EZ/EC Initiative Office in Washington.

All programmatic questions, funding requests, PERMS concerns and other general liaison activities between the EZs/ECs and HUD headquarters should be channeled to the appropriate staff person according to the following break-out:
