MEMORANDUM FOR: EZ/EC Main Contacts

FROM: Dennis Kane, Coordinator, EZ/EC Initiative
Tanya Barvenik, EZ/EC Initiative

SUBJECT: EZ/EC Conference Calls: March 29-30, 2000

If you will not be able to participate, someone from your staff should be on the call representing your EZ/EC. As always, you also have the option of dialing in on any of the other scheduled calls if you are not available at the designated day and time, and we encourage this, rather than trying to get an individual update later.

Tanya Barvenik will be the coordinator for these calls. Contact her on (202) 708-0614, ext. 3928 if you have any questions, suggestions for future peer-to-peer topics, or any comments related to the phone conferences. If you prefer, send your comments via e-mail (tanya_barvenik@hud.gov).

Please identify yourself and your organization to the conference call administrator when you call in to be included on the list of attendees.

AGENDA

- .. Information dissemination
