Neighborhood Networks
National Training Conference
Washington, D.C.
August 8–10, 2007

Every day, you connect residents to opportunities. This summer, the Neighborhood Networks National Training Conference will provide information that will help you strengthen your efforts.

From [August 8–10, 2007](#), Neighborhood Networks stakeholders from across the country will convene in the Nation's Capital to participate in the Neighborhood Networks National Training Conference. This unique learning opportunity combines expert-led training sessions with peer networking. The result is the perfect balance of expertise and experience, so **SAVE THESE DATES**. More information will be sent in a few weeks.

Information can also be obtained from the Neighborhood Networks Web site at www.NeighborhoodNetworks.org or by calling the Neighborhood Networks Information Center toll-free at (888) 312–2743. The hearing impaired may access this number via TTY by calling the Federal Information Relay Service at 800–877–8339.
