

# FHA LENDER TRAINING

June 2 - 4, 2009 - Phoenix, AZ

Presented By:

HUD/FHA

Santa Ana Homeownership Center

**FREE**

## Did you know?

Phoenix is #1 in FHA mortgage loan production within the 8 western states. Are you one of these lenders?

FHA production has more than tripled since last year and is continuing to rise. The current mortgage environment is making FHA products more popular than ever. Everyone wants to learn more about them.

Here's your chance!

FHA representatives will be conducting a 3-day class where you can learn about FHA processing, documentation requirements, FHA underwriting, mortgage calculations, underwriter responsibilities, automated underwriting (AUS), highlights of underwriting the FHA appraisal and more.

This training is highly beneficial for Underwriters and Processors. It would also greatly enhance Loan Officers' knowledge base.

Certificate of Completion will be issued to attendees who attended ALL 3 days of training.

Session: 8:00AM - 5:00PM each day

Sign in: 8:00 - 8:30AM each day
