**Units Planned for Rehabilitation:** 200    **Units Started:** 0              **Units Completed:** 200

**Units planned to receive Energy Efficiency measures:** 200

**Completed units receiving Energy Efficiency measures:** 0

**Project Description:** This funding has resulted in providing employment for architects and engineers, construction workers and product manufacturers. Combined with an Energy Performance Contract, this grant is focusing on energy savings at Paquin Tower, our 200 unit high-rise. This funding is replacing the current boiler system and uncontrollable residential radiators with a geothermal HVAC system and controllable residential heat pumps.
