Dear Secretary Holt:

Subject: Housing Discrimination Complaint  
Baltimore Regional Housing Campaign v. State of MD, et al.  
HUD Case No. 03-12-0016-8, 03-11-0014-6, 03-11-0014-9

The above-referenced housing discrimination complaint, which was filed with the U.S. Department of Housing and Urban Development (HUD), on October 31, 2011, has been resolved by the execution of a HUD Conciliation Agreement (Agreement), as provided under §810(b) of the Fair Housing Act of 1968, (Act) as amended [42 U.S.C. §3601 et seq.].

The Conciliation Agreement was signed and approved on behalf of the Secretary, as required under §810(b)(2) of the Act and §103.310 of HUD's regulations implementing the Act. By executing this Agreement, the parties have agreed that all issues that were raised in the above-referenced complaint are resolved. By approving this Agreement, HUD has concluded that its provisions will adequately vindicate the public interest. Accordingly, HUD has terminated its investigation, and has administratively closed the complaint, effective as of **September 22, 2017**. A copy of the HUD-approved Agreement is enclosed for your records.

This closure is not a determination on the merits of the allegations contained in the HUD complaint.

By executing this Conciliation Agreement, the parties have committed to comply with the provisions

specifically designed to resolve the issues raised in the complaint, and to further the public interest in fair housing.

**Retaliation is a violation of the Fair Housing Act.** Section 818 of the Act makes it unlawful to retaliate against any person because he or she has filed a housing discrimination complaint; is associated with a complainant; has counseled or otherwise assisted any person to file such a complaint; or has provided information to HUD during a complaint investigation. Section 818 also protects complainants against retaliatory acts that occur after a complainant has withdrawn, settled, or conciliated a housing discrimination complaint. Any person who believes that he or she has been a victim of retaliation for any of the reasons listed above may file a housing discrimination complaint with HUD within one (1) year of the date on which the most recent alleged retaliatory act(s) occurred or ended.

**Enforcement by the Attorney General.** Section 810(c) of the Act provides that whenever HUD has reasonable cause to believe that a respondent has breached a Conciliation Agreement, HUD shall refer the matter to the Attorney General with a recommendation that a civil action be filed on behalf of the complainant. Section 814(b)(2) of the Act authorizes the Attorney General to file a civil action in an appropriate United States District Court for appropriate relief with respect to the breach of a HUD Conciliation Agreement.

If an aggrieved person believes that a respondent has breached a HUD Conciliation Agreement, he or she should promptly report the alleged breach to the HUD Office that investigated the complaint.

**Public Disclosure.** Section 103.330(b) of HUD's regulations implementing the Act provides that Conciliation Agreements shall be made public, unless the aggrieved person and the respondent request nondisclosure and HUD determines that disclosure is not required to further the purposes of the Act. Notwithstanding a determination that disclosure of an Agreement is not required, HUD may publish tabulated descriptions of the results of all conciliation efforts.

If you have any questions regarding this closure please contact the point of contact Rachel Leith, Enforcement Branch Chief, at 410-209-6548.

FHEO CASE NUMBERS: 03-12-0016-8, 03-11-0014-6, 03-11-0014-9

## A. PARTIES

The parties to this Agreement are the U.S. Department of Housing and Urban Development (HUD), the State of Maryland, the Maryland Department of Housing and Community Development (DHCD), and the Baltimore Regional Housing Campaign (BRHC).

## B. SUMMARY OF ALLEGATIONS

Complainant, BRHC, filed complaints with the HUD on September 19, 2011 and October 31, 2011 alleging that the State of Maryland (State) and DHCD, applied discriminatory policies and practices in the Low Income Housing Tax Credit (LIHTC) program in violation of 42 U.S.C. §§ 3604, 3605, and 3617 (Title VIII of the Civil Rights Act of 1968) on the basis of race, national origin, and familial status; and 42 U.S.C. §§ 2000d (Title VI of the Civil Rights Act of 1964) and 42 U.S.C. §5309 (Section 109 of the Housing and Community Development Act of 1974) on the basis of race and national origin.

Complainant alleges that Respondents maintained a policy requiring approval of a local jurisdiction prior to the consideration or allocation of LIHTCs to any project. Complainants allege this requirement was used by local decision-makers throughout the State to prevent the placement of LIHTC projects in predominantly White areas for discriminatory reasons. Complainant also alleges the local approval requirement reinforced and perpetuated segregation by interfering with and deterring projects that would have been desegregative because they would have been inhabited by a significant percentage of Black tenants and constructed in predominately White areas.

Respondents deny having discriminated against Complainant or any other person in connection with the LIHTC program or otherwise and HUD has made no finding that DHCD or the State has discriminated against the Complainant or any other person. In the interest of cooperation and collaboration, and to further promote fair housing in the State, DHCD has agreed to settle the claims in the underlying action by entering into this Voluntary Compliance Agreement.

1. The parties acknowledge that this Agreement is a voluntary and full settlement of the disputed complaint. The parties affirm that they have read and fully understand the terms set forth herein. No party has been coerced, intimidated, threatened or in any way forced to become a party to this Agreement.
2. It is understood that upon approval of this Agreement by the FHEO Regional Director or his or her designee and the Maryland Board of Public Works, it is a public document.
3. This Agreement does not in any way limit or restrict HUD's authority to investigate any other complaint involving the State of Maryland or DHCD made pursuant to Title VIII, Title VI, or Section 109, or any other complaint within HUD's jurisdiction.
4. No amendment to, modification of, or waiver of any provisions of this Agreement shall be effective unless: (a) all signatories or their successors to the Agreement agree in writing to the amendment, modification or waiver; (b) the amendment, modification or waiver is in writing; and (c) the amendment, modification or waiver is approved and signed by all parties to the Agreement.

executors, assigns, agents, officers, officials, successors, employees and attorneys with regard to any and all claims, damages and injuries of whatever nature, whether presently known or unknown, arising out of the subject matter of HUD Case Numbers 03-12-0016-8, 03-11-0014-6, and 03-11-0014-9C or which could have been filed in any action or suit arising from said subject matter.

7. The State of Maryland and DHCD hereby forever waive, release, and covenant not to sue HUD or BRHC and its successors, assigns, agents, officers, board members, employees and attorneys with regard to any and all claims, damages and injuries of whatever nature whether presently known or unknown, arising out of the subject matter of HUD Case Number 03-12-0016-8, 03-11-0014-6, or 03-11-0014-9, or which could have been filed in any action or suit arising from said subject matter.

G. RELIEF

1. Effective July 1, 2014 the Maryland State Legislature amended §4-213 of the Housing and Community Development Article of the Annotated Code of Maryland. In response, Respondents removed the Local Approval requirement from the QAP, and its regulations. DHCD will not reinstate a Local Approval requirement, or impose new threshold or scoring criteria requiring the approval of a local governing body or an elected official representing the area in which a proposed affordable housing development is located or to be located unless required by law.
2. Family Housing in Communities of Opportunity will continue to be eligible for the basis boost, without the need for prior approval from DHCD, as provided in the 2016 QAP Section E.3.
3. Performance Measures: DCHD will ensure that no fewer than 1,500 units of Family Housing that are financed, in whole or in part with LIHTC, are developed in Communities of Opportunity within the Baltimore Region, of which no fewer than 1,050 units will be net new construction units. Respondents may count towards these new construction Performance Measures any unit subject to an Initial Closing after July 1, 2017. 250 units may be developed through acquisition and rehabilitation of multifamily and scattered site housing units that have not been previously assisted or subsidized through a government program and credited toward the performance measure of 1,500 units. In addition, up to 200 units may involve the preservation or replacement of previously subsidized or assisted family housing. Respondents may count towards these rehabilitation and preservation Performance Measures any unit issued a reservation letter after July 1, 2017.

4. In order to facilitate the achievement of these Performance Measures, in the QAP during the term of this Agreement:
  - a. DHCD will revise its scoring criteria in Section 4.3 of the Guide for Transit Oriented Development (“TOD”) to award the full complement (currently 8) of TOD points to any Family Housing proposal in a Community of Opportunity that: (a) is located within a two (2) mile radius of a planned or existing bus line or transit rail stop, or (b) augments the minimum threshold tenant services by providing (or arranging for the provision of) alternate forms of free or subsidized transportation services and assistance for residents of the project beginning no later than 8:00 am and ending no earlier than 6:00 pm, Monday through Friday (such as on-demand paratransit, vans, microtransit, taxi, “Uber” or “Lyft” service, “Zip car” or other car sharing services, or car purchase programs such as Vehicles for Change and Wheels to Work, but any chosen service must be available to all residents and not restricted to service for the elderly or disabled). The criteria and points awarded to projects in other areas will remain essentially the same and will not be increased so as to place Family Housing in Communities of Opportunity at a competitive disadvantage.

The provision of such alternative transportation services must be evidenced by a certification that is substantially similar to the certification that is part of the Agreement provided in Exhibit C.
  - b. DHCD will adjust the incentive for larger (2+ bedroom) units in the Qualified Allocation Plan and Guide according to the table below.

Points Awarded	Project Must Meet Requirements in <u>Both</u> Columns Below and must not impose any age restrictions on tenants	
	<i>Minimum % of Units in Project with 2 BRs, 3 BRs or more</i>	<i>Minimum % of Units in Project with 3 BR or more</i>
2	65%	5-9%
3	60%	10%-19%
4	60%	20% - 24%
5	65%	20% - 24%
6	60%	25% - 29%
7	65%	25% - 29%
8	60%	30% or more

- c. DHCD will modify Section 4.2.1 (c) of the Guide to provide that a Concerted Community Revitalization Plan incorporates the standards in Section C.3 of this Agreement.
- d. DHCD will add the following requirement to affirmative fair housing marketing plans in Section 3.3.2 of the Guide:
  - i. DHCD will require all project owners to provide notice of unit availability and accept referrals from public housing authorities, voucher administrators, and mobility counseling programs operating in the regional market area, and must formalize such arrangements in the form of contracts or MOUs;
  - ii. DHCD will require all project owners to certify annually that they accept vouchers and do not employ practices that have the effect of excluding voucher holders, such as screening standards that require incomes at two or three times the monthly contract rent;
  - iii. DHCD will require all project owners to develop affirmative fair housing marketing plans in a way that identifies applicants that are "least likely to apply."
- 5. Maintenance of Effort: In its 2016 QAP, DHCD has established certain policies, program requirements, incentives and flexibilities to facilitate the creation of affordable housing for families in Communities of Opportunity. Among these is a policy to equalize points for family housing in Communities of Opportunity and

those in Qualified Census Tracts under the Community Impact category. DHCD will maintain such policies and point balances as it deems necessary to facilitate the achievement of the Performance Measures.

6. DHCD will continue to make information about LIHTC applications public in accordance with Section 2.5 of the Guide.
7. Within ten (10) days of the effective date of this Agreement, and provided they have received IRS Form W-9 and wiring instructions, Respondents agree pay a total of \$225,000, which amount satisfies any and all claims by BRHC pursuant to the complaints, including but not limited to attorneys' fees, and which is also intended to sustain BRHC's mission of working to increase housing choice, educational opportunity and social equity for low-income families in and around the Baltimore Region during the term of this Agreement. Such funds will be transmitted, pursuant to wire transfer instructions, to Relman, Dane & Colfax, Attorneys for BRHC.

#### H. FAIR HOUSING PLANNING AND TRAINING

1. Within ninety (90) days of the effective date of this Agreement, DHCD shall train its employees who are responsible for the implementation of affordable housing programs on the requirements of the Affirmatively Furthering Fair Housing regulations and on civil rights compliance.
2. DHCD shall forward to HUD objective evidence of the successful completion of training required by this Agreement in the form of a Certificate or a letter from the entity conducting the training, together with a list of participants, within five (5) days of the completion of the training, as evidence of compliance.

#### I. MONITORING OF THIS AGREEMENT

1. DHCD is responsible for ensuring that HUD funds are used in accordance with all program requirements. The use of designated public agencies, sub-recipients, or contractors does not relieve DHCD of this responsibility. DHCD shall monitor its sub-recipients to ensure its sub-recipients have policies and procedures that require compliance with the Fair Housing Act and other civil rights requirements. DHCD shall monitor its sub-recipients to ensure HUD funding is used in a manner consistent with the Fair Housing Act and other civil rights requirements.
2. HUD shall determine compliance with the terms of this Agreement. During the term of this Agreement, HUD may review compliance with this Agreement. Respondents agree to provide its full cooperation in any monitoring review undertaken by HUD to ensure compliance with this Agreement.
3. Prior to the expiration of any timeframe in this Agreement, the Respondents may submit a request for an extension supported by documentation of good cause.

HUD and BRHC shall review requests for extensions and grant them as a modification to this Agreement if they are reasonable, which shall be in their sole discretion to determine.

4. Failure by HUD or BRHC to enforce this entire Agreement or any provision in the Agreement with regard to any deadline or any other provision herein shall not be construed as a waiver of its right to do so regarding to other deadlines and provisions of this Agreement. Furthermore, HUD or BRHC's failure to enforce this entire Agreement or any provision thereof shall not be construed as a waiver of any obligation of BRHC under this Agreement.
5. If any section of this Agreement is determined by a court to be in violation of the laws of the State, federal law or regulation, or against public policy, that section shall be severable and the remainder of the Agreement shall continue to operate in full force.
6. This Agreement contains the entire Agreement and understanding between the Parties. With respect to this Agreement, no representations, promises, agreements or understandings, written or oral, not herein contained shall be valid or binding unless the same is in writing and signed by the party intended to be bound.

J. REPORTING AND RECORDKEEPING

1. Within thirty (30) days of the effective date of this Agreement, Respondents shall submit proof of the payment required by paragraph G.7 of this Agreement to HUD's FHEO Regional Director.
2. During the term of this Agreement, within thirty (30) days following the last day of the State's fiscal year (ending June 30) Respondents will submit a yearly report identifying the LIHTC applications that were selected for funding during the LIHTC funding cycle. Said report will include the name and address of the project, the name of the developer, and the jurisdiction and census tract where the project will be located.
3. Every six months during the term of this Agreement, Respondents will submit a report identifying the LIHTC projects that have received a reservation letter. The report will include the name and address of the project, the name of the developer, and the jurisdiction and census tract where the project will be located.
4. All required certifications and documentation of compliance must be submitted to:

Melody Taylor  
Director, FHEO, Mid-Atlantic Region  
100 Penn Square East  
Philadelphia, PA 19107-3380

K. CONSEQUENCES OF BREACH

1. Upon a finding of material non-compliance with this Agreement, HUD will provide the Respondents with a written statement specifying the facts of the alleged material non-compliance and a reasonable opportunity to resolve or cure the alleged material non-compliance including an opportunity to meet and provide evidence supporting compliance. If, after the above process, the Respondents have not satisfactorily resolved the claims of material non-compliance, HUD may take any contractual, statutory, administrative or regulatory remedy available to HUD to resolve the outstanding findings of non-compliance, including but not limited to, referral to the Attorney General of the United States to commence a civil action in the appropriate U. S. District Court, pursuant to §§ 810(c) and 814(b)(2) of the Act. The Respondents retain any due process or other rights to review or appeal HUD's determination. It is understood that no conditions in this Agreement, however, will limit or restrict HUD's legal rights to enforce Title VI or other applicable laws and regulations.
