MEMORANDUM FOR: Owners, Management Agents and Contract Administrators of HUD-Insured and Assisted Properties in Puerto Rico and the U.S. Virgin Islands

FROM: 
Sylvette A. Méndez, Director
San Juan Multifamily Program Center

SUBJECT: FCC Assistance to MF Projects Owners

This is to announce the availability of special assistance from staff of the Federal Communications Commission (FCC) to multifamily housing owners on how to install the digital to analog converter box to meet the June 12, 2009 deadline.

The Commission is very concerned about the situation in Puerto Rico where over 50% of all households receive over the air television. Staff from the FCC is available to help project owners, administrators and residents of multifamily properties that are still not ready for the transition to digital television. Should you be interested in receiving a visit from the staff of the FCC, kindly contact Ms. Carmen Scanlon, Attorney Advisor, U. S. Federal Communications Commission, Consumer & Governmental Affairs Bureau, at (202) 418-0544. You can also write to Attorney Scanlon at carmen.scanlon@fcc.gov.
