*Reasonable accommodations
for persons with disabilities will
be made if requested in advance.*

FREE! The Department of Housing and Urban Development invites you to join us for this free workshop for communities, faith based and grassroots organizations. This is your opportunity to learn the key points on how to access HUD funding to support your local projects.

Information shared will cover:

- HUD Community Development and Housing Programs
- Targeted Special Needs and Homeless Programs
- Understanding the application process
- Insight from local practitioners for accessing funding resources

The Forum will also provide a setting to network with other attendees and learn how to become involved in the local Consolidated Plan, Continuum of Care and SuperNOFA processes. State and local officials, as well as representatives from not for profit organizations, will be available to assist you in cultivating relationships to create opportunities to address community needs.
