

Local Regulatory Provisions for 3-5 Year Consolidated Plan Amendments

Executive Summary

Concise executive summary that includes objectives and outcomes identified in the plan and an evaluation of past performance. **(91.200(c))**

Consultation and Citizen Participation

Describe consultations with other public and private agencies that provide assisted housing, health services, social and fair housing services. **(91.100(a)(1))**

Describe consultations with public and private agencies that provide assisted housing, health services, and social services to determine resources available to address needs of any persons that are chronically homeless. **(91.100(a)(2))**

Describe consultations with local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations). **(91.105(a)(2)(ii))**

Describe consultations with social service, health, and child service agencies (in accordance with 91.100(a)(3) regarding lead based paint hazards). **(91.200(b))**

Housing and Homeless Needs

Housing Needs. Estimate of housing needs includes needs of public housing residents and families on the public housing and section 8 tenant-based waiting list. **(91.205(b))**

Homeless Needs. Estimate of homeless needs includes chronically homeless persons. **(91.205(c))**

Market Analysis

Vacant, Abandoned Buildings. To the extent information is available, should include estimate of number of vacant or abandoned buildings and whether units in these buildings are suitable for rehabilitation. **(91.210(a))**

Chronic Homelessness. Homeless inventory of facilities should include (to the extent is available to the jurisdiction) an estimate of percentage or number of beds and supportive services programs that are serving people that are chronically homeless. **(91.210(c))**

Strategic Plan

Priorities. Priorities for allocating investment among different activities and needs, as identified in tables prescribed by HUD. **(91.215(a)(1))**

Specific Objectives. For each specific objective statement, identify proposed accomplishments and outcomes the jurisdiction hopes to achieve in quantitative terms over a specified time period. **(91.215(a)(4))**

Public housing. Describe the manner in which the jurisdiction will address the needs of public housing, and financial or other assistance the jurisdiction will provide to improve the operations of a public housing agency designated as “troubled” in order to remove such designation. **(91.215(c))**

Homeless. Describe the jurisdiction’s strategy for helping homeless persons (especially any persons that are chronically homeless) make the transition to permanent housing and independent living. **(91.215(d)(4))**

Special Needs. Summary of priority housing and supportive service needs of persons that are not homeless but who may or may not require supportive housing. **(91.215(e))**

Neighborhood Revitalization. Neighborhood revitalization strategy areas identify long-term and short-term objectives in terms of measure of outputs and outcomes. **(91.215(g))**

Lead Hazards. How plan for reduction of lead-based hazards is related to the extent of lead poisoning and hazards. **(91.215(i))**

Coordination. With respect to the preparation of its homeless strategy, the jurisdiction must describe efforts to increase coordination between housing providers, health, and service agencies in addressing the needs of persons that are chronically homeless. With respect to economic development, the jurisdiction should also describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies. **(91.215(l))**
