

## **1999 Annual Report Executive Summary**

### **Mississippi County EC**

The Mississippi County Enterprise Community enjoyed success during calendar year 1999. We are expanding our linkages in the business and civic community while maintaining our strong relationship with the grassroots community. Our housing program has ventured into single family development establishing a Self-Help Housing section. We are expanding our Housing Rehabilitation program with a Housing Preservation grant and the 504 Housing Rehabilitation program. Through our Small Town Resource program, we are working with several communities on improvement projects.
