2. See below for HUD’s response to an additional question.

Question No.	Reference	Question	HUD’s Response
141	L.13	<p>HUD indicates in Section L. 13 of the RFP that: "In the interest of full disclosure, fairness to all prospective offerors and to mitigate the potential for conflicts of interest, this RFP includes all the information previously provided to DOT/ESC."</p> <p>Can HUD confirm that any and all such information previously provided to DOT/ESC has indeed been included in the RFP? For example, does the RFP include all materials and information obtained or learned by DOT/ESC or other vendors (or shared by HUD with any such vendors) in connection with previous negotiations or discussions with HUD (including, without limitation, pricing and budget negotiations held with HUD related to the Government Shared Service Center)? Can HUD confirm that the RFP includes all materials and documentation prepared by such vendors or otherwise submitted to HUD as a result of either (i) the information previously provided by HUD or (2) such negotiations or discussions with HUD (i.e. Integrated Master Schedule, Performance Work Statement, etc)?</p> <p>If the RFP does not yet include any of these materials, pursuant to which RFP modification does HUD anticipate releasing such information and materials in order to mitigate the clear potential for actual conflict of interest?</p>	<p>1. Please see section L.13 of the solicitation. As stated in this section of the solicitation, HUD has made a good faith effort to release all relevant and pertinent information available to potential offerors.</p> <p>2. HUD is unable to release any information claimed as proprietary by DOT/ESC and their past business partners. In addition we are unable to determine and/or release insight(s) that DOT/ESC and their past business partners may have “learned ” from prior communications.</p> <p>3. The solicitation contains safeguards to avoid, neutralize, or mitigate the potential for Conflicts of Interest. Potential offerors are advised to refer to section L.14 NOTIFICATION OF POTENTIAL ORGANIZATIONAL CONFLICT OF INTEREST (OCI) and section H.15, which excludes certain contractors, subcontractors and/or consultant(s) from participating in this solicitation.</p>
