- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

Mission Statement . Mission Statement . Mission Statement . Mission Statement Our goal is to provide drug free, decent, safe, and sanitary housing for eligible families and to provide opportunities and promote self-sufficiency and economic independence for residents.

In order to achieve this mission, we will:

- **Recognize residents as our ultimate customer;**
- **Improve Public Housing Authority (HA) management and service delivery efforts through effective and efficient management of HA staff;**
- **Seek problem-solving partnerships with residents, community, and government leadership;**
- **Apply HA resources, to the effective and efficient management and operation of public housing programs, taking into account changes in Federal funding.**

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing

 - Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:

 - Renovate or modernize public housing units:
 - Demolish or dispose of obsolete public housing:
 - Provide replacement public housing:
 - Provide replacement vouchers:
 - Other: **Install air conditioning, as capital funds are available.**

- PHA Goal: Increase assisted housing choices
Objectives:
 - Provide voucher mobility counseling:
 - Conduct outreach efforts to potential voucher landlords
 - Increase voucher payment standards
 - Implement voucher homeownership program:
 - Implement public housing or other homeownership programs:

 - Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment

- Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
- Implement public housing security improvements:
- Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
- Other: (list below)

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households
Objectives:
 - Increase the number and percentage of employed persons in assisted families:
 - Provide or attract supportive services to improve assistance recipients' employability:
 - Provide or attract supportive services to increase independence for the elderly or families with disabilities.
 - Other: **Coordinate through existing social service agencies.**

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

- PHA Goal: Ensure equal opportunity and affirmatively further fair housing
Objectives:
 - Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:
 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:
 - Other: (list below)

Other PHA Goals and Objectives:

Quantifiable measures are difficult to identify within a small authority. There are currently no vacancies in the Linden PHA, however, there are multiple private/subsidized apartments within the Linden area. A new elderly complex is targeting this population and disabled persons. As such, there does not appear to be a need for additional housing units, rather the overall goal is to improve existing public housing in order to attract an economically diverse resident population, rather than those who are looking at public housing as a last resort.

Public Housing Deconcentration Policy from ACOP

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does

not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.

2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:

A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.

B. To accomplish the goals of:

(1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and

A. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals.

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Given that there is a waiting list of some 20 families, there are obviously unmet housing needs for very low and low income persons in the Linden housing market area. Toward this end, the Linden Housing Authority intends upon implementing its on-going programs and pursuing strategies as listed below. Presently, DHUD is not making funds available for new construction; however, this may change and also the Housing Authority can continue to work cooperatively with private concerns/efforts that would afford potential partnerships to further the availability of low income housing in the Linden area.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:
