FIVE YEAR PLAN
ADVISORY BOARD MEETING
MARCH 7, 2000

The Hot Springs Housing Authority met with the Section 8 Advisory Board of the Housing Authority at the Mountainview Towers on March 7, 2000 at 5:00 p.m. The purpose of the meeting was to present the Five-Year Plan.

Mr. Lanny Gorman, Executive Director of the Hot Springs Housing Authority, welcomed the group and expressed his appreciation for their attendance. Tenants representing public housing and Section 8 included Angela Poe, Rerall Johnson, Danny Hughes, Darlene Ward, Bessie Samuel, Valerie Veasay, Harold McDaniel, Fletcher Davis, Lugarda Tinker and Clyde Crump. Housing Authority staff attending the meeting included Lanny Gorman, Marcia Jean Stouffer, Jane Ury, Darrell Warren, Charlotte Page, Ed Mitchell and Dawn Waddle.

Mr. Gorman talked about the 1998 Quality Housing and Work Responsibility Act established by the federal government. As part of the requirements of this Act Housing Authorities are required to establish Advisory Boards made up of tenants representing the Housing Authority. The role of the Advisory Board is to participate in the public housing planning process and to assist in recommendations of plans for a five year period.

Topics discussed are as follows:

Section 8 Properties Availability:

The consensus of the Section 8 tenants was that they have been treated very fairly by housing authority staff and treated with respect when visiting the office. The availability of desirable rental property is very small. It was agreed that rental housing in Hot Springs and in Garland County is substandard. Property is not taken care of and the poor outward appearance creates a bad impression. There is not enough adequate housing for larger families. Houses with three or four bedrooms are not available. Organization of a calling system among tenants was suggested. When a tenant becomes aware of rental property one tenant could call another , etc. They could also call the Housing Authority office.

Work Preference System

The Hot Springs Housing Authority houses people by the date of application and availability of housing. Some housing authorities house persons with a job before a person without a job. This system was presented to the tenants for their comments.

All tenants voiced negatively on this issue. Circumstances vary. Some persons are disabled and cannot work; persons in wheelchairs cannot always find work; people with small children without child care service cannot work.

Mr. Gorman reported that there is a valuable asset in public housing. 52% of people in public housing are elderly, disabled, or children. Funding may be in jeopardy. This is one reason for us to prepare these plans. A review team hired by HUD checks our properties, checks living conditions and sends a report to Congress. They decide to continue to fund or not. The Fair Market Rent is too low. Rental property is not available for the FMR set for Garland County at the present time.

Housing for Handicapped Persons

All tenants agreed there is not enough handicap accessible rental units available in public housing and in Section 8.. Wheelchair bound persons have to live in situations where they are prisoners in a house. It is very difficult to get in and out of the house, the shower, the kitchen, etc. More equipment is needed such as handrails, equipped kitchen cabinets, showers, door knobs, etc.

Disabled Units for Mountainview Towers Residents

While there are people on the wait list at the Mountainview Towers which provides housing for elderly and disabled, there has not been a great demand for handicap accessible units. A certain number of units have been converted and larger apartments are also used for wheelchair bound individuals. There has been a good response from wheelchair bound tenants who want to get out of their apartment more and become more active in resident activities.

Quality Housing & Work Responsibility Act Pet Provision:

Public housing tenants and Section 8 tenants were unanimous in that they definitely do not want pets allowed. In public housing the yards between units do not have fences and neighbors live too close to each other.

Purchase of FHA Houses That Have Been Repossessed:

Can Section 8 tenants purchase repossessed FHA houses? Comments were made that rental payments could go toward purchasing FHA house.

Mr. Gorman explained that HUD operates FHA. They insure the lender that they will be paid. When HUD repossesses a home it is made available to realtors for sale. A law has been passed allowing Section 8 rental payments being applied toward the purchase of a home - the lease / purchase agreement. Our goal is to encourage Section 8 tenants to purchase property they are renting from their landlords. When the

home is paid for it is the property of the renter. Most landlords will stipulate in the lease / purchase agreement that if you move you lose whatever rent money you have paid.

It was suggested to put the FHA homes into the Section 8 Program under a lease / purchase agreement. Anyone would prefer to own than rent but sometimes it is not practical in certain situations. The Housing Authority could approach the property owner and initiate the lease / ownership program which could be for any size family.

Flat Rent

Little comment was offered on this subject.

FAIR HOUSING - HAVE YOU BEEN DISCRIMINATED AGAINST?

The public housing tenants do not like the connotation the term "projects" gives to public housing. It is derogatory. The public relates the Eastwood Gardens Apartments name with the image of being related to gangs. Among the tenants of public housing prejudice has never an issue and they agreed that this is a continually growing process of education.

The Section 8 tenants have experienced more discrimination. Property owners will not talk with perspective tenants once they are informed the tenants are on the Section 8 Program.

Mr. Gorman informed the group that a property owner cannot by law refuse to rent strictly because the tenant is on the Section 8 Program.

SAFE LIVING ENVIRONMENT

A tenant commented that millions of dollars are allocated for the civic center but there is never any funds for playgrounds for children. Another tenant commented that at some rental locations in the city children have to cross the street to catch a bus which is dangerous.

Mr. Gorman reported that safety in public housing has changed. It is far better than it was years ago. There will always be problems but times and conditions change. When people break the rules they are evicted. This creates a better place to live.

Mr. Gorman read the Mission Statement and explained our objectives. He explained that the Hot Springs Police Department works with the Housing Authority to provide on site police patrols. There are two police sub-stations on the property. Their efforts have contributed greatly to the decrease in criminal activity.

Mr. Gorman explained the policy on re-housing a person who has been evicted for drug abuse. If a person receives rehabilitation and re-applies after three years, it is possible

to re-house that individual. If the person has been evicted for selling drugs, or operating a meth lab, etc. they are automatically barred for life.

The next discussion covered the Five-Year Goals.

Goal One - Improve Physical Quality of Existing Public Housing Property.

Section 8 Program will also be affected by this objective. Section 8 tenants will be receiving a questionnaire for their input on property owners, willingness of property owner to repair the facilities, etc. Housing inspections will be done.

Goal Two - Improve the Quality of Life by Providing a Secure Environment , Educational Opportunities, Economic Developmental Activities, Resident Involvement, Youth Programs, Adult Activities and OnSite child Care

Mr. Gorman talked about the GEAR UP Program (Gaining Early Awareness and Readiness for Undergraduate Programs). Through a joint grant the Hot Springs Housing Authority will receive ten computers with software to assist students in math and English skills. Beginning with students in the sixth and seventh grades their progress will be tracked through their senior year. The ultimate goal is to enable students to pass college entrance exams.

Goal Three

Expand the Availability and Quality of Housing Choices Available to Participants in the Housing Authorities Tenant - Based Assistance Program

In discussing the purchase of a home Mr. Gorman explained that the interest rate would be low . Payments would go directly to HUD- not through a bank. This would be an important issue to discuss with legislators.

A new duplex has been completed. As money is available additional scattered site housing will be built. The plan calls for two a year depending on funds availability. Section 8 will handle the rental of this property. Persons applying for housing will automatically go on the Wait List.

A lot has been purchased to build a triplex which will consist of a one bedroom handicapped accessible apartment, a two bedroom unit and a three bedroom unit. The triplex will be a definite asset and will enhance the neighborhood and anyone on the section 8 Wait List is eligible to apply for housing in this complex.

Goal 4

Manage the Hot Springs Housing Authority Tenant- Based Program in an Efficient and Effective Manner

Section 8 Management Assessment Program maintains a standard rating on housing. We have to maintain a utilization rate of 85% in this program. Have to keep places rented in order to receive money and scoring.

Goal Five

Manage the Hot Springs Housing Authority Public Housing Program in an Efficient and Effective Manner

The idea of scattered housing in the city was considered a good concept rather than build another high-rise building. The idea of hiring a local privately owned security business to patrol the Housing Authority facilities was discussed.

In concluding the meeting Mr. Gorman thanked everyone for attending and thanked them for their valuable input. The goals and objectives for the HSHA are important and have to be reported every year.

Mr. Gorman announced that a public hearing would be held on March 14, 2000. There being no further discussion, the meeting was adjourned.
