Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Helena Housing Authority currently has 298 rental units, two units retrofitted for the use by the residents and community and a central administration and maintenance facility. The converted units are a community center and a neighbor police station. The rental units comprise of zero, one, two, three and four bedroom units. Housing facilities are maintained for all eligible intities that qualify under the guidelines established by the Federal Government and administered by the Housing Authority.

The submission of the Annual PHA Plan comply with the Quality Housing Work Responsibility Act of 1998 that requires a 5 Year/Annual Plan to be implemented in order to maximize the efforts to ensure that a safe, sanitary, decent housing and improvement in additional areas are addressed to improve the living conditions and opportunities for eligible families/individuals to be explored.

The Annual Plan outlines many current programs and additional areas for personal, family and community improvements that are realistic in setting goals if funding and/or manpower is available. HHA will strive to the responsibilities assigned as a result of attending seminars/seminars,

training, college and community class courses when funding is available and scheduling permits to improve the professionalism and qualifications of all agency personnel. Each year the Annual Plan will be submitted as an opportunity to improve on the services and quality provided to each resident as well as an opportunity to continually improve the Helena Housing Authority administration/operations.

The following is a revised PCPHA Plan for the current program, policies and procedures for review.
