C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The CHA will follow the main goal of Consolidated Plan from the Arkansas Development Finance Authority (ADFA) to address transitional housing needs of homeless individuals and families to prevent low-income individuals and families with children (especially those below

30% of median) from becoming homeless, to help them make the transition to permanent housing and independent living. The CHA will do this by continuing to give preferences to elderly, disabled individuals and working families. The CHA will continue to work closely with the Johnson County DHS through its TEA Coalition, the local Family Service Center, ARVAC, Innerfaith Service, and the Salvation Army to provide quality housing and educational opportunities to low income families who otherwise would be unable to afford housing.
