Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Warren has taken steps to assure that we have made a proper response to this new federal Five-Year and Annual Plans requirement in section 511 of the QHWRA, the WHA appealed to Arkansas NAHRO for assistance. That organization obtained professional technical assistance and training for Arkansas member PHA interested in joining together to approach the QHWRA Agency Plan requirement. As a result of that effort, and after discussions with Arkansas NAHRO, with other housing agencies, and after reviewing materials supplied by the Little Rock HUD field office, the WHA believes it has adopted a planning approach that meet both the needs of the Authority's residents and the new federal review standards.

The Five-Year Plan: In preparing its plan, the WHA has developed a plan that is consistent with HUD's stated mission and goals. It has also developed a plan that provides for measurable standards against which plan objectives can be measured. As a step towards its own improved management, The WHA has keyed these standards to the requirements in the Public Housing Management Assessment Program. In the next five years the Warren Housing Authority attends to do the following, if funds

allows us too:

1. Central Heat/Air Units in 100 elderly apts.
2. Washerteria in the area of Kings Square West
3. Replace entrance doors and new lock sets
4. Foundation Repairs where needed
5. Parking Lots Repairs where needed
6. Install Insulated windows
