1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

General statement of how the HA will meet the needs of 1) Families, 2)Elderly, and 3) Disabled and the reasons for selecting those means.

(A) Housing Needs Statement

The housing needs of the low, very low and extremely low-income families on our waiting list consists of the following issues: affordability, supply and unit size. With regards to affordability, the Housing Authority has made it possible for these families to rent units that they could not otherwise have afforded.

The City of Melbourne has no need for additional subsidized housing as it only has 2 families on the waiting list.

The quality of the Housing Authority’s housing stock exceeds the housing stock in the private sector. We have adequate handicapped accessible units to meet our current local need.

The State of Arkansas Consolidated Plan addresses housing needs of low and very low-income families in Section III, Strategic Plan.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.
