1. Consolidated Plan jurisdiction: (provide name here) State of Arkansas
2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
The Black River Area Development (BRAD) Public Housing Agency administers only a Section 8 housing program of just 120 vouchers. Because of its modest size and the federal regulatory constraints on this program, the BRAD Public Housing Agency has little discretion in its housing programs.

The State Consolidated Plan cites the importance of tenant-based rental assistance (TBRA) in its HOME strategy. The State writes that an effective TBRA program is essential to its plans in HOME targeted communities. Although Randolph County is not a HOME target area, the state’s remarks about the Section 8 program as “an essential element of Arkansas’ annual approval housing strategy for expanding the supply, affordability, and availability of decent, safe, sanitary and affordable housing” clearly also applies to Section 8 program offered by the BRAD Pocahontas Public Housing Agency.

- Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

D. Other Information Required by HUD

Criterion for identifying a “substantial deviation” from the PHA Plan

The BRAD Pocahontas Public Housing Agency will consider the following to be changes in its *Agency Plan* necessary and sufficient to require a full review by the Resident Advisory Board and by the Public Hearing process before a corresponding change in the Agency Plan can be adopted.

1. Any alteration of the Authority’s *Mission Statement*;
2. Any change or amendment to a stated Strategic Goal;
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met;
4. Any introduction of a new Strategic Goal or a new Strategic Objective;

In setting the above criteria, the BRAD Pocahontas Public Housing Agency intends by “Strategic Goal” and “Strategic Objective” specifically those items under those headings in its *5-Year Plan*.

Because the Annual Plan already requires annual review by the Resident Advisory Board and by Public Hearing, the Authority believes this annual process sufficient to meet the spirit of the *Quality Housing and Work Responsibility Act of 1998*. It expects that changes to the Annual Plan will be primarily administrative in nature. It believes, however, as shown in item #5 above, that significant changes in its planned modernization expenditures should be subject to a resident/public process.

The BRAD Pocahontas Public Housing Agency has also reviewed the requirements set out in HUD Notice PIH 99-51. It here incorporates the several additional criteria established by HUD for “substantial deviation” and “significant amendment or modification” to its Agency Plan. The PHA will also consider the following events to require a public process before amending such changes to its Agency Plan.

- changes to rent or admissions policies or organization of the waiting list;

The BRAD Pocahontas Public Housing Agency acknowledges that an exception will be made by HUD to compliance with the above criteria for any of the above changes that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

AR247a01. Resident Comments on the Agency Plans

Note: On January 26, 2000 The B.R.A.D. Public Housing Agency sent a letter to all tenants inviting their participation in a Resident Advisory Board.

A meeting to form a "Resident Advisory Board " (RAB) was scheduled for March 23rd at 11:00 A.M.

Minutes of Meeting March 23, 2000

The meeting was called to order at 11:00 AM. by Jim Jansen, Executive Director of B.R.A.D.

Those present were: Stella E. Reed, Joe Lewis, William Gaither, Wanda Blackwell, William Sweeney, Carol Phillips, Faye I. Leverton, (all program tenants), and. Jim Jansen, Executive Director and Debbie Sheets, Housing Director (B.R.A.D. staff).

Mr. Jansen welcomed the tenants. He explained the purpose of the meeting was to form a Resident Advisory Board composed of interested tenants. All program participants were invited and encouraged to participate in the formation of this board and the seven (7) residents above will constitute the initial Resident Advisory Board. Mr. Jansen also explained that B. R.A.D. would like to invite the Resident Advisory Board to elect a representative to serve on B.R.A.D.'s Board of Directors.

Mr. Jansen explained new regulations require a Resident Advisory Board to review and comment on the Agency 5- year plan and Annual Plan required. for the BRAD Public Housing Agency.

A copy of an agenda and the new Agency Plans were given to each tenant as they signed in for the meeting. Each main topic of the plan was reviewed and comments were as follows:

1. Debbie Sheets, Housing Director, introduced the "New Housing Choice Voucher Program" and explained how tenants under lease before 10-01-1999 would be merged into the new program.
2. Increasing the FMR to increase housing availability was discussed by all present. Debbie Sheets explained that HUD establishes the FMR for each county.
3. The possibility of a larger Utility Allowance was suggested by Carol Phillips. Debbie explained that the Utility Allowance is reviewed annually with each utility provider and adjusted according to the survey from the utility company.
4. Mr. Gaither discussed how some landlords were not very willing to make repairs. He stated that some would buy materials if the tenant wanted to do minor repair work. Debbie explained that it is the landlord's responsibility to make the necessary repairs, But, if a tenant wants to live in a certain house and the tenant and landlord are in agreement, then it can be done that way.

5. Carol Phillips asked for a date when the Housing Program would be 100% voucher. Debbie Sheets explained how the Certificate would have to be turned into a Voucher at the tenant's 2nd re-exam after October 1, 1999 (leasing in place only).
6. Carol Phillips discussed the length of the waiting list and commented on how at one time you could only transfer your certificate Statewide. Debbie explained the procedure for admitting a family into the program. And, how portability no longer has boundary limitations.
7. All present discussed the increase of the 1 bedroom FMR to 110% so that 1 Bedroom units would more in range with the private market. All present agreed that the FMR for a one bedroom unit needed to be increased. At times it might be difficult but units can usually be found within the FMR of the other sire units.
8. Wanda Blackwell, Fay I. Leverton, Carol Phillips and Mr. Gaither all expressed their concern about the cost of medications & medical supplies. Faye stated that a lot of elderly & non-elderly did without medication because of the cost. Different ways to receive help in paying for prescription medicines was discussed by all. Rising medical cost is a problem for everyone. Debbie agreed that Medical Costs are a concern for everyone and explained the current HUD regulation concerning Medical Deductions and allowance.
9. Carol Phillips asked about handicapped accessibility and if there were many units available. Debbie informed Carol that BRAD Public Housing Agency will help find vacant handicapped units for any handicapped tenant that requests it and several properties in Randolph Co. are handicapped accessible.
10. Wanda Blackwell and Carol Phillips discussed the repeal of the Federal Preference and expressed that they felt it made the waiting list more fair. Debbie stated that with the repeal of the Federal Preference requirements, all applicants were placed on the waiting list by date & time only.
11. Mr. Gaither commented that we need to continue leasing up to the maximum units so as not to lose any funding.
12. Mr. Gaither commented that he thought we had a good program and a program that tried very hard to work with the tenants. Carol agreed, and said she has always been satisfied with her dealings with BRAD Public Housing Agency. The other tenants agreed.
13. Debbie thanked Mr. Gaither and the other tenants for their encouragement and support of the program. She also assured the Resident Advisory Council that the BRAD Public Housing Agency would continue operating an efficient program following HUD's requirements.

The final item on the agenda was electing a member of the Resident Advisory Board to the Board of Directors.

Mr. Jansen gave a brief outline of the responsibilities of a member of the Board of Directors. Carol Phillips, Faye I. Leverton and William Gaither all volunteered to be on the BRAD board if elected.

A secret ballot, was taken and the members of the Resident Advisory Board elected Carol Phillips to serve on the BRAD Board and Faye I. Leverton was elected as an alternate.

Mr. Jansen congratulated Carol. on her election to the BRAD Board and thanked the RAB for their participation.

The meeting adjourned at 12:15 p.m.
