ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The recent enactment of the Quality Housing and Work Responsibility Act (QHWRA) has made many changes in tenant-based assistance. These changes have been incorporated into our policies and into our short-term and long-term goals. These goals and strategies to obtain the goals are addressed in the Five Year Plan and 2000 Annual Plan of the Greene County Housing Authority that will be submitted to HUD.

Because our agency is a small housing authority, and provides Section 8 assistance only, the GCHA will submit a streamlined plan to HUD. Supporting documents for all plan components that pertain to our agency will be available for review, even those components that are not applicable for high-performers.

The Greene County Housing Authority realizes that low-income, very low-

income, and extremely low-income families in Greene County have needs that must be met. Our mission is to promote and provide adequate and affordable housing that is safe and sanitary; to promote economic opportunity; and to promote and provide a suitable living environment free from discrimination.

To increase the availability of decent, safe, and affordable housing, the Greene County Housing Authority will strive to expand the supply of assisted housing. We will seek out and apply for additional rental vouchers, such as special vouchers for elderly, handicapped, and/or disabled families, that come available.

To improve the quality of assisted housing, the GCHA will strive to obtain the highest SEMAP score possible for our tenant-based assistance program. The Greene County Housing Authority will work to satisfy its clients. Surveys will be conducted at least annually to allow our clients to offer feedback about our programs and to offer suggestions for improvement. If possible, this feedback will be used in future plans.

To accomplish the goal of increasing assisted housing choices, the GCHA staff will provide voucher mobility counseling. Outreach efforts to potential landlords will be conducted. New voucher holders are encouraged to seek units owned by landlords that do not have units on the Section 8 program. potential landlords will be invited to meetings to learn about the Section 8 tenant-based assistance program. Printed “landlord packets” will be available when potential landlords come to the administrative office seeking information. Voucher payment standards will be kept at a level necessary to allow clients to find affordable housing. Four families receiving Section 8 rental assistance are currently participating in the homeownership program with lease-purchase agreements. Several other families have also expressed an interest in this program. We will encourage this homeownership option and will research other options available through the Section 8 Homeownership program.

Resident participation is encouraged by our agency. Each public housing development will have an active Resident Council. An Advisory council of Pecan Grove residents, Mini-Rise residents, and Section 8 program participants will offer input for our grant program(s), annual plans, and other GCHA operations. One position on the Board of Commissioners will be reserved for a public housing resident or a Section 8 Program participant.

To reach our goal to promote self-sufficiency and asset development of families and individuals in assisted households, the GCHA would like to see a substantial increase in the number or percentage of employed persons in assisted families by 2004 fiscal year end. The GCHA will work to provide or attract supportive services to improve assistance recipients' employability and to increase independence for the elderly or families with disabilities. The Greene County Housing Authority will make a cooperative effort with local agencies, such as the Department of Human Services, the Job Training Program (J.T.P.A.), and temporary employment agencies, to help assisted families gain employment. Residents and families with Section 8 tenant-based assistance have suggested GED/adult literacy classes, child care provision, and seminars to help develop job search skills.

To ensure equal opportunity and affirmatively further fair housing for all Americans, the GCHA will take affirmative measures to ensure access to assisted housing, regardless of race, color, religion, national origin, sex, familial status, and/or disability. The GCHA will also take affirmative measures to provide a suitable living environment for families living in assisted housing, and to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- XX** Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Payment standards will be evaluated at least annually to ensure that Section 8 families will be able to find affordable housing
- XX** Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- If an eligible family needs an unit with 4+ bedrooms, the GCHA will take steps to

accommodate the family based upon their need.

- XX** Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration

GCHA wants the Section 8 program to be received by landlords in a positive manner. prospective landlords will be invited to attend a conference to explain the Section 8 Program and the benefits that landlords receive by having property on the program. We will have “landlord packets” available for landlords when they request information.

- XX** Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

GCHA will conduct a criminal background check of each adult member of an applicant’s household. Persons with a history of drug abuse, alcohol abuse, and criminal activity will not be eligible for the Section 8 Program unless they can prove successful rehabilitation. Owners will be told about the screening process. We will also provide owners with other requested information about the applicant such as current landlord, address, previous landlord, housekeeping habits (if known), rent payment history (if known), and other relevant information. We will encourage the owner to screen carefully.

Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

The resident currently serving on the PHA/GCHA Board of Commissioners was the only resident who expressed an interest in the position after a notice requesting applications was published by the PHA in 1997. Board members felt that having a resident on the board would be a conflict of interest and did not vote to approve her position. The city council

of Paragould, AR did vote to approve the appointment of a resident on the PHA\GCHA Board of Commissioners. Since the enactment of the QHWRA, the PHA/GCHA has amended the by-laws so that one position is reserved for a resident.(amendment is attached)

**AMENDMENT TO PHA/GCHA BY-LAWS
RESIDENT BOARD MEMBER**

As required by the Quality Housing and work Responsibility Act of 1998, one position on the Paragould Housing Authority/Greene County Housing Authority Board of Commissioners shall be reserved for a public housing resident or a Section 8 tenant-based assistance program participant.

APPOINTMENT PROCESS

When the position reserved for a resident is vacant, the Paragould Housing Authority\Greene county Housing Authority shall advertise the position in the Resident Newsletter, with a notice posted in the PHA office, and in a newspaper of general circulation. Any adult resident interested in serving on the board may apply.

On the first work day following the last day to submit applications, a ballot will be created by PHA staff with each eligible applicant's name on it. Residents will be notified that a voting poll will be

available at specified sites on a specified date\time. Votes will be counted by Resident Council members. The resident receiving the most votes will be presented to the board of commissioners for a vote. In case of a tie vote, both residents will be presented to the board and the board will vote on the resident that they feel will be most representative of all residents.

After board acceptance, the resident shall be presented to the Paragould City Council for approval. If the board does not vote to accept the resident as a board member, the resident may appeal to the Paragould City Council. The City Council shall make the final decision. If the City Council also denies the resident, the appointment process shall be repeated.

AFTER RESIDENT APPOINTMENT

The resident board member shall be given the same courtesies as the other board members. His\her vote shall carry the same weight as all other board members.

If the resident serving on the board of commissioners moves from the PHA jurisdiction (Pecan Grove, Mini-Rise, or a Section 8 assisted unit), then that person **must** resign as a member of the board. The position will be filled with another resident.

SUMMARY OF PUBLIC HEARING

On December 31, 1999 and January 4, 2000, a NOTICE FOR PUBLIC HEARING AND COMMENT was published in a local newspaper of general circulation. Information was available to be viewed and commented upon. The public hearing was scheduled for Monday, February 14, 2000 at 11:45 a.m. No one was present for the hearing other than board members and GCHA staff.

DECONCENTRATION POLICY

The Greene County Housing Authority deals only with the Section 8 rental assistance program. We have researched the problem of a concentration of Section 8 families in one area of Paragould\Greene County.

Our plans include an outreach effort for potential landlords that have property available for rent in areas where there are few, if any, Section 8 families. Presently we have 467 certificates\vouchers. Our goal is to have 20% in the northern section of the county, 20% in the southern section of the county, 30% in the western section of the county and 30% in the eastern part of the county. This goal will not be easily obtained, but with extensive public relations work this may be possible. Our background checks of all adult family members will also help draw potential landlords. Presently the majority of Section 8 families are concentrated on the eastern section of the county, but GCHA staff will continue to encourage families to move to different areas.

Use this section to provide any additional attachments referenced in the Plans.
