C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and through the new Housing Choice Voucher Program. Although the Agency's reasons for choosing this strategy change, the Redding Housing Authority is committed to maintain its lease up rate at more than 98%.

With an emphasis on lease up activity, the RHA will make available, as quickly as possible, turn over subsidies to families on the waiting list. Additionally, RHA would seek any new vouchers which become available through the NOFA process. Of particular interest to RHA, would be vouchers targeted to assist the disabled population in our community or Welfare to Work vouchers. Housing staff is available each afternoon to respond to questions from the general public and/or owners who express interest in the Section 8 Program. Staff will provide a landlord workshop and cosponsor a Fair Housing Workshop. These strategies are realistic and achievable.
