ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Delta Housing Authority (dba Housing Authority of the City of Delta) has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and Resolution: 204. Also, we will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, PHA's responsibility to Section 8 owners/landlords, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Delta during FY 2000 include:

- Concentrate on efforts to improve specific management functions: (e.g., public housing finance, voucher unit inspections)
- Conduct outreach efforts to potential voucher landlords.
- Involve the public housing residents and the Section 8 participants through the Annual Plan Resident Advisory Board.
- Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and
- Identify, develop and leverage services to enable low-income families to become self-sufficient.

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority of the City of Delta to meet the housing needs of the full range of low-income residents. The Housing Authority of the City of Delta, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the City of Delta and Delta County.

Attachment 1
CO040a01
Deconcentration & Income Targeting Policy

Section 513, Income Targeting, of the Quality Housing Work Responsibility Act refers only to “public housing projects”. Item 903.7,(c),(2) of the Interim Rule for the Public Housing Agency Plan dated February 18, 1999 and the Preamble of the Initial Guidance of QHWRA, refer to deconcentration efforts regarding “public housing developments”.

Neither the law nor the regulations refer to scattered site single buildings. However, the Housing Authority of the City of Delta does implement the goal of the Deconcentration and Income Targeting law and regulation.

This rural community is depressed and ALL sections of the community have the same low income range. Several areas have high unemployment. The public housing units are all scattered site housing (40) and are located in ALL areas of town. It is the same situation throughout the entire County for Section 8 participants.

Most public housing residents in the community do seasonal work and are paid a very low income. There are a few residents who make better wages, and they live side by side with participants of our subsidized housing programs.

We believe that the Deconcentration and Income Targeting requirements are already being achieved in a natural way. We are also working with Social Services and the Works program to further assist our residents in their housing needs.

Based on the needs of this community, we feel that selecting applicants for housing by time and date is the best and the fairest way.

Since we are a small project but cover many miles (all of Delta County), we do not believe that there is a concentration of one type of income in our County. We believe that any changes would be construed as a form of discrimination by residents of this community.

Pursuant to Notice PIH 99-33 Attachment B, as Amended by PIH Notice 99-51 (HA) - Definition of “Substantial Deviation” and “Significant Amendment or Modification” [903.7(r)], the criteria for “a substantial deviation from the 5-Year Plan” and a significant amendment or modification to the 5-Year Plan and Annual Plan”.
