**Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The City of Fountain is located just south of Colorado Springs and east of Fort Carson Military Base in El Paso County. Like many communities along the front range, Fountain has experienced tremendous growth during the nineties. Although there has been an increase in housing units, dwelling units for the very-low and low-income families are still scarce and waiting lists for public housing and tenant based assistance remain long. The PHA closed its tenant based waiting list in June of 1998 due to the large number of applications. The PHA will reopen its waiting list in the year 2000.

The PHA is committed to promoting activities which serve to improve the housing stock and quality of life in the City of Fountain for all citizens and in particular for very-low and low income families. To that end, the PHA has developed this Annual Plan for the year 2000.

This Annual Plan sets forth the housing needs of the community developed through a review of the State of Colorado's Consolidated Plan, statistical information from the 1990 census, and a review of the PHA's waiting list. The statement of financial resources is based on the known and projected resources available to the PHA during the year 2000. Uses of funds were developed on projections based on actual expenditures

during the most recent completed fiscal year.

The statement of policies that govern eligibility, selection, and admissions for the PHA's public housing program are contained in the PHA's Tenant Selection and Occupancy Policies adopted by the PHA on October 19, 1989 and approved by the Office of Public Housing on November 1, 1989. These policies were amended in March of 1996 to provide a minimum monthly rent of \$25.00 and again in April of 1996 to set a maximum number of days that a unit may be left unoccupied. This Annual Plan contains the most recent amendments to the policies. These amendments provide for a hardship exemption to the minimum rent requirements, set forth the policies to deconcentrate poverty in public housing, and set forth the method for determining flat rents.

Tenant selection policies for the tenant based programs are contained in the PHA's Administrative Plan adopted by the PHA in January of 1996. The PHA has a preference for families that live or work in the PHA's jurisdiction. The local preference was approved by the Office of Public Housing in August of 1996. this Annual Plan contains the most recent amendments to the Administrative Plan providing for a hardship exemption from the minimum rent requirements.

This Annual Plan sets forth the policies to be used to determine tenant rent and flat rent for the public housing program and the section 8 tenant based programs.

This Annual Plan sets forth the capital improvements the PHA hopes to complete over the next five years.
