[24 CFR Part 903.7 9 (r)]

The Annual Plan for the Avon Park Housing Authority includes the areas required by the Quality Housing and Work Reform Act of 1998 (hereinafter referred to as the QHWRA) and the HUD template. Several major policies have been undated for conformance to the QHWRA and are included in the Plan documents for public review. Notably the Admissions and Occupancy policy for public housing, and the Administrative Plan for the Section 8 program. Capital Improvements for the two public housing properties, and the management needs of the agency, as prepared by the Architect working under contract with the Housing Authority. These documents were reviewed by the Board of Commissioners, the Resident Advisory Board and staff.

The Housing Needs statement was arrived at from materials provided by the Highlands County Plan Department and the Shimberg Center of the University of Florida. All available data is essentially outdated until the conclusion of additional local housing needs studies and the 2000 Census. The City of Avon Park does not have a Consolidated Plan so the Housing Authority relied on the Highlands County Plan as updated in August 1999. The State of Florida was unable to provide updated information.

October 21, 1999 Final rules eliminate the requirement for this section.

### **C. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of HUD over the course of the next year. Whenever possible we will respond to

HUD NOFA's to increase the amount of affordable housing in Avon Park and Highlands County where applicable.

Our agency is part of the entire effort undertaken by the area to address our jurisdiction's affordable housing needs. The County Housing Element, as part of the Comprehensive Plan, includes the goal of identifying sites to accommodate 125 units each of low and very-low income housing. The same Plan sets a County goal to produce 218 new units for each year. The Housing Authority will cooperate and partner with the County wherever possible to assist in meeting these goals in our jurisdiction.

A Goal of the Housing Authority is to obtain a 501 C (3) status and start the process of utilizing other financing methods to produce additional affordable housing.

The Housing Authority will use appropriate resources to maintain and preserve our existing housing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to help add to the affordable housing available in our community. We intend to work with our local partners, the City of Avon Park, Highlands County, and any non-profits devoted to improving or adding to the existing housing stock, including housing for Special Needs groups, such as the Adult Mentally Ill.

At this time we intend to apply for 50 additional units of Section 8 if there is a NOFA permitting an application from a very small program, and/or from a rural area. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may also change over the coming year if there are program changes beyond our control.
