On 10-4-99, Mr. Joseph Albanese, Roy Rogers Management, met with resident council leaders to provide an orientation on the process for the development of the Gainesville Housing Authority's (GHA) Annual Plan and Five Year Plan. Mr. Albanese explained why the Authority needs resident involvement in the development of these plans and the impact of these plans will have on the GHA and its residents. All resident leaders were made aware of the fact that the process is comprehensive and inclusive.

Gainesville Housing Authority

A resident asked if this process would eliminate funding for the Comprehensive Grant Program? Mr. Albanese explained that the comprehensive grant program (now Capital grant) would be part of the Plan process as well as the Drug Elimination Grant program.

On 11-8-99, Mr. John Cherry, Executive Director of the Authority and Mr. Richard Campbell of Roy Rogers Management met with the Resident Advisory Board to discuss the Agency Plan. An outline of the Plan was presented to all participants.

Mr. Campbell explained the process for developing the Five-Year and One-Year Plan. It incorporates several areas which formerly submitted separate plans, such as the Drug Elimination Grant and the Comprehensive Grant.

Residents and staff discussed the goals proposed, and additional needs were discussed. The following needs were identified by residents:

1. Recreation for Children and Teens
2. Job training for adults and teens
3. Childcare
4. Neighborhood clean ups
5. Tutoring
6. Socialization for adults
7. Police presence in neighborhoods
8. Expanded parking

Mr. Cherry discussed the timeline for Plan submission, and announced that the Public Hearing would be on December 19th.

ON 11-29-99, a meeting was held with residents to discuss the GHA's Annual Plan and Five-Year Plan for FY 2000-2004.

Invitations were sent to all Resident Council Officers and Section 8 Family Self-Sufficiency participants, as well as GHA staff and managers.

All participants were provided with a draft copy of the GHA Annual and Five-Year Plan. The Plans were reviewed with the participants going over each plan item and discussing goals and strategy.

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

The Gainesville Housing Authority takes an active cooperative role with the City of Gainesville in helping the city develop its Consolidated Plan. Throughout that Plan, the city references GHA programs as integral parts of its plan to improve housing conditions for the disadvantaged families within the city. The City specifically references the following ongoing GHA programs as essential to its Consolidated Plan strategy.

Public housing. The City of Gainesville Consolidated Plan contains a chart fully showing the housing units available at all GHA developments as an important community resource that should not be diminished.

Section 8. The Consolidated Plan references the GHA Section 8 Program, including its project-based developments, as essential housing resources in the community.

Capital Fund Program. The Consolidated Plan references the past Comprehensive Grant Program for maintenance of existing housing resources in the community. This is especially important, since the Consolidated Plan observes emphatically that the city suffers from too much dilapidated, unrentable housing, especially for poor families, who must compete with college students for what suitable housing there is.

Drug Elimination Program. The city plan references the GHA Public Housing Drug Elimination Program (PHDEP) as an important strategy in the city's effort to reduce crime within the community.

Gainesville Housing Authority

Youth Grants. The city also applauds GHA programs aimed to improve opportunities for the city's non-college, disadvantaged young people through its Youthbuild Program and similar efforts.

Resident Initiatives. The City of Gainesville Consolidated Plan also throughout indicates its support for GHA programs to improve the chance for economic improvement and homeownership, especially through its Family Self-Sufficiency Program and its graduates.

Other: (list below)

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments:

On p. 29 of the Consolidated Plan, under strategies that the City of Gainesville will pursue to accomplish its Plan goals, we read the following.

“The City of Gainesville will adopt the following steps to further assist very low and low income renters between fiscal years 1996 and 2000:

1. Fully support GHA in the application for additional certificates and vouchers.
2. Fully support and assist GHA in the implementation of the Family Self-Sufficiency (FSS) Program to the maximum extent feasible. The implementation of this program will not only free up current certificates and vouchers, but will allow more households to be assisted as FSS graduates move on to financial independence.
3. Target homebuyer assistance programs to qualified households presently receiving reserve rental assistance for those households most in need.
4. Enhance overall coordination between the City, GHA, the SHIP partnership, and other housing providers to facilitate program development and strengthen institutional structure.”

D. Other Information Required by HUD

Criterion for identifying a “substantial deviation” from the PHA Plan

The Housing Authority of the City of Gainesville will consider the following to be changes in its *Agency Plan* necessary and sufficient to require a full review by the Resident Advisory

Gainesville Housing Authority

Board and by the Public Hearing process before a corresponding change in the Agency Plan can be adopted.

1. Any alteration of the Authority's *Mission Statement*;
2. Any change or amendment to a stated Strategic Goal;
3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met;
4. Any introduction of a new Strategic Goal or a new Strategic Objective;
5. Any alteration in the Capital Fund Program Annual Plan that affects an expenditure greater than ten percent (10%) of the CFP Annual Budget for that year.

In setting the above criteria, the Gainesville Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items under those headings in its *5-Year Plan*.

Because the Annual Plan already requires annual review by the Resident Advisory Board and by Public Hearing, the Authority believes this annual process sufficient to meet the spirit of the *Quality Housing and Work Responsibility Act of 1998*. It expects that changes to the Annual Plan will be primarily administrative in nature. It believes, however, as shown in item #5 above, that significant changes in its planned modernization expenditures should be subject to a resident/public process.

The Gainesville Housing Authority has also reviewed the requirements set out in HUD Notice PIH 99-51. It here incorporates the several additional criteria established by HUD for "substantial deviation" and "significant amendment or modification" to its Agency Plan. The GHA will also consider the following events to require a public process before amending such changes to its Agency Plan.

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Plan) or change in use of replacement reserve funds under the Capital Fund;
- additions of new activities not included in the current PHDEP Plan and
- any change with regard to demolition or disposition , designation, homeownership programs or conversion activities.

The Gainesville Housing Authority acknowledges that an exception will be made by HUD to compliance with the above criteria for any of the above changes that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
