### **DECONCENTRATION POLICY**

Adopted: August 25, 1999

*It is the policy of the Cedartown Housing Authority (CHA) to provide for deconcentration of poverty. We will accomplish this in a uniform and non-discriminating manner.*

The CHA will affirmatively market our housing to all eligible income groups. Lower income persons will not be steered toward lower income developments and higher income persons will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.
