Goal Number One

Enhance the attractiveness and marketability of the housing stock and neighborhoods in order to attract working families.

OBJECTIVES

By March 2000, the Board of Commissioners will establish priorities for the Housing Authority of the City of Douglas (HACD) in removing the stigma from the communities through supportive marketing efforts and establishing a working preference, which will best suit the residents of the city.

The (HACD) staff, in consultation with the residents/neighborhood representatives, will draft and promote neighborhood improvement plans for each development by March 1, 2001.

The role of residents in achieving maximum neighborhood appeal will be established by January 31, 2001.

By December 2001, the Executive Director and the HACD staff will develop methods of enforcing model neighbor standards, marketing strategies and a marketing plan for future success.

By March 2002, the Board, the Executive Director and the Maintenance Department will initiate, implement, and maintain a preventive maintenance and landscaping plan which will include upgrading the park and playground areas with seasonal flower planting. Additionally, the Board and the Executive Director will officially name each development and designate each with attractive and consistent signage.

GOAL NUMBER TWO

Improve the public and community image of the Housing Authority of the City of Douglas (HACD) by developing and implementing a comprehensive Public Relations Plan.

OBJECTIVES

By March 2001, the Board of Commissioners will establish parameters for a superior Public Relations Program for the HACD.

As an ongoing process, the Board of Commissioners and the Executive Director will designate the Resident Services Coordinator as a Public Affairs Officer who will promote the HACD on a community-wide basis.

Routinely, the Public Affairs Officer will participate in collaborative efforts for community growth. The participation will be documented in quarterly reports to the Board of Commissioners.

The Executive Director with assistance from the HACD staff will develop a mailing list for marketing and outreach materials and assess and make recommendations for efficient telecommunications to ensure complaints are minimized. This process is already underway and will be continued according to the relative success or failure of such efforts.

By March 2000, the Maintenance Department will provide a work force with a professional image by conducting and participating in community efforts, including contracting maintenance services as necessary, to promote the benefits and beautification of the City.

GOAL NUMBER THREE

Objectives

The Board of Commissioners will develop strategies by March 31, 2000 to promote maximum efficiency and employee morale among the HACD staff.

By June 2000, the Executive Director and HACD staff will assess adequacy and current capabilities of the computer system, identify the need for cross and specialized staff training and develop a plan for such training of employees.

The Executive Director and HACD staff will identify organizational needs such as staffing, adequate office space, and storage. The ED will subsequently identify a method for recognizing outstanding employees by June of 2001.

As an ongoing process, the Maintenance Superintendent will continue to reevaluate established and implemented ethical and professional department standards which will dictate a tracked plan of improvement at all performance levels.

The Executive Director will identify sources of funding to improve employee services and support systems by March 31, 2001.

GOAL NUMBER FOUR

The Executive Director and the Maintenance Department will increase the level of resident satisfaction relative to maintenance during the next two fiscal years.

This will include investigating contract alternatives and developing systems for contract monitoring, as applicable.
