Admissions Policy for Deconcentration of Poverty

Deconcentration Policy

It is Lavonia Housing Authority’s policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Towards this end, LHA will skip families on the waiting list in order to reach other families with a level of higher or lower income. We strive to accomplish this in a uniform and non-discriminating manner.

The Lavonia Housing Authority will affirmatively market our housing to all eligible income groups. Lower income applicants/residents will not be steered toward lower income developments and higher income applicants/residents will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families resident in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

The Lavonia Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

When the Lavonia Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Lavonia Housing Authority will contact the family first by telephone to make the unit offer. If the family can not be reached by telephone, the family will be notified of a unit offer via the U.S. Mail first class. The family will be given three (3) business days from the date the letter was mailed to contact the Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have twenty four (24) hours to accept or reject the unit. This verbal offer and the family’s decision must be documented in the applicants file. If the family rejects the offer of the unit, the Lavonia Housing Authority will send the family a letter documenting the offer and the rejection.

The Lavonia Housing Authority (LHA) Resident Advisory Board (RAB) consists of twenty five residents who are directly assisted by the PHA and one area neighbor that is not directly assisted by the PHA. The RAB meets by-monthly to discuss issues that directly or indirectly affect the LHA resident population as well as the surrounding neighborhoods. The RAB officers are elected by the RAB membership as a whole. The membership has communicated with residents and assisted families regarding the PHA Plan and have made the following recommendations to the housing authority management for possible implementation into the Plan:

- Suggestion: Provide additional street lighting for security purposes. Reply: Additional lighting will be included in our Plan.
- Suggestion: Serious concerns were expressed from RAB members about allowing more pets in housing. Reply: It was explained to the RAB that this is now a law and that we would wait for additional clarification from HUD on what limitations if any that the PHA could implement into it's pet policy.
- Suggestion: Start a "Neighborhood Watch" Program. Reply: This will be included in our Plan.
- Suggestion: New asphalt speed breakers, warning signs and speed limit signs in developments GA094-4, GA094-5, GA094-7, GA094-8. Reply: This will be included in our Plan.
- Suggestion: Continue the modernization progress that is now being done. Reply: LHA will continue comprehensive modernization for as long as needed or as long as funds are available. LHA will continue to seek grant opportunities and capitol funding for these needed improvements.

The Lavonia Housing Authority has consulted with the Resident Advisory Board, The municipalities of Lavonia, Carnesville and Canon, where we have developments and other agency organizations in which our clients are involved. LHA has reviewed and addressed all of the suggestions made and have incorporated some of these suggestions into our Statement of Capital Improvements Needed; the 5-Year Plan and the Annual Plan. The PHA's Annual Plan is consistent with the goals and objectives of the PHA's 5-Year Plan.

The LHA Board of Commissioners conducted a Public Hearing on April 3, 2000 at 5:30 PM to discuss the PHA Plan and to invite public comment on the Plan contents. The Hearing was conducted at the main administrative office conference room located in the Starr Whitlow Office Building at 13032 Jones St., Lavonia, Ga.

Project P.A.Y.B.A.C.K. (Parents And Youth Building And Cementing Kinships) is an after school and summer program that has tremendously helped the children and youth of our communities to build kinships and care for each other. Our hands on approach helps to teach participants not only how and why to say no to drugs and drug related criminal activity, but also to care more about themselves, their families and their neighbors. In the past two years, we have begun a computer lab where participants are able to expand on their capabilities. We also address security issues and sometimes remove blockages such as bushes or trees which will increase the security lighting capacity and we add security fencing in designated areas.
