The Ocilla Housing Authority has experienced a vacancy problem during the past four years. As its new Executive Director, my major goal is to reduce the vacancy rate. We manage 165 conventional units. Therefore, we can not focus on increasing the housing supply until we develop a marginal turn over with the units we currently manage. Presently, there are 35 vacant units. The high vacancy rate is attributed to the Irwin and neighboring counties being saturated with mobile home manufacturers and the local USDA Rural Housing Program.

The mobile home industry employ a number of our residents and offer them homes with carpet, central heat/air and an opportunity to pay a set mortgage amount. The Rural Housing Program provides financing for mobile homes and other dwelling structures. Collectively, this has encouraged residents to exit public housing and become owners of mainly manufactured housing. Thus, the high vacancy rate.

It is our intent to develop a collaborative with both entities and offer residents a formal homeownership program. In addition, any resident desiring to become a homeowner will be referred to USDA Rural Housing or the State of Georgia's Department of Community Affairs Affordable Homeownership Program.

To meet the needs of working families, we offer ceiling rents in lieu of flat rents, as well as three income exclusions. Families in this category can exclude 30% of their income. Families will be encouraged to seek employment and receive the benefits of income exclusions and ceiling rents. This will be coordinated with help from our newly employed Resident Services Coordinator. The leasing specialists will also assist.

Admissions Policy for Deconcentration

DECONCENTRATION POLICY

It is Ocilla Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Towards this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Ocilla Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

The Ocilla Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

When the Ocilla Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Ocilla Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given three (3) business days from the date the letter was mailed to contact the Ocilla Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have 24 hours to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Ocilla Housing Authority will send the family a letter documenting the offer and the rejection.
