Attachment A

Excerpt from the ADMISSIONS AND CONTINUED OCCUPANCY POLICY
10.4 DECONCENTRATION POLICY

It is The Housing Authority of the City of Buena Vista, Georgia's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments.

The Housing Authority of the City of Buena Vista, Georgia will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 Deconcentration Incentives

The Housing Authority of the City of Buena Vista, Georgia may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

In 1998 there were six Part I crimes reported and in 1999 this figure dropped to five. However, for the first four months of this year, there have been seven Part I crimes reported. Therefore, the major component of this proposal is physical improvements. Barrier fencing will be installed at Broad Street Homes and Wooten Homes. Security lighting will be installed at Ables Homes and Wooten Homes. These two items will enhance personal wellbeing amongst all ages of our residents. With 50% of our resident population under 18 years of age, drug prevention through alternative activities for our children is imperative. Although there are no PHDEP funds available for these activities, other opportunities are being researched. There are ongoing discussions between local government leaders and service providers. In consideration is a vacant building suitable for the proposed Community Service Center and the use of CDBG funds for its development.

B. PHDEP Budget Summary

Enter the total amount of PHDEP funding allocated to each line item.

FY 2000 PHDEP Budget Summary	
Budget Line Item	Total Funding

9150 – Physical Improvements	25,000
TOTAL PHDEP FUNDING	25,000

C. PHDEP Plan Goals and Activities

Information provided must be concise—not to exceed two sentences in any column. Tables for line items in which the PHA has no planned goals or activities may be deleted.
