3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from the Crawfordville Housing Authority Admissions and Continued Occupancy Policy.

9.3 Families Nearing the Top of the Waiting List

When a family appears to be within three (3) months of being offered a unit, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Crawfordville Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Crawfordville Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from the Crawfordville Housing Authority Admissions and Continued Occupancy Policy.

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Crawfordville Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Crawfordville Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Crawfordville Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

- 1. 1. History of meeting financial obligations, especially rent;
- 2. 3. 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the

health, safety, or welfare of other tenants;

1. 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
1. 3. History of disturbing neighbors or destruction of property;
1. 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
1. 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Crawfordville Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Crawfordville Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. 1. A credit check of the head, spouse and co-head;
2. 2. A rental history check of all adult family members;
4. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Crawfordville Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
6. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
7. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

8. 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

9.

10.

c. If the PHA plans to operate one or more site-based waiting lists in the coming year, answer each of the following questions; if not, skip to subsection **(3) Assignment**

- One
- Two
- Three or More

The following is an extract from the Crawfordville Housing Authority Admissions and Continued Occupancy Policy.

10.6 Offer of a Unit

When the Crawfordville Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Crawfordville Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Crawfordville Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Crawfordville Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 Rejection of Unit

If in making the offer to the family the Crawfordville Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Crawfordville Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

b. Yes No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

(4) Admissions Preferences

a. Income targeting:

Yes No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40% of all new admissions to public housing to families at or below 30% of median area income?

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies
- Overhoused
- Underhoused
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

The following is an extract from the Crawfordville Housing Authority Admissions and Continued Occupancy Policy.

16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
1. B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
1. C. To facilitate a relocation when required for modernization or other management purposes.
1. D. To facilitate relocation of families with inadequate housing accommodations.
1. E. To provide an incentive for families to assist in meeting the Crawfordville Housing Authority's deconcentration goal.
1. F. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Crawfordville Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Crawfordville Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Incentive transfers

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families approved for such transfers will meet the following eligibility criteria:

7. A. Have been a tenant for three years;
7. B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least twenty-five (25) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
7. C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
7. D. The family is current in the payment of all charges owed the Crawfordville Housing Authority and has not paid late rent for at least one year;
7. E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
7. F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. - The PHA's Admissions and (Continued) Occupancy policy
- PHA briefing seminars or written materials
- Other source (list)

b. How often must residents notify the PHA of changes in family composition? (select all that apply)

- At an annual reexamination and lease renewal
- Any time family composition changes
- At family request for revision
- Other (list)

The following is an extract from the Crawfordville Housing Authority Admissions and Continued Occupancy Policy.

Interim re-examinations are performed to allow residents to comply with the dwelling lease requirements to report changes in income and family circumstances. The following are specific changes that must be reported in writing within ten (10) days of their occurrence:

- a. All changes in family composition. Additions to the family, other than through birth or a child to a family member on the lease, must be approved by the Authority in advance.
 - b. All changes in family income except regular increase in wages on the same job or periodic increases in government benefits not related to other changes in income or family composition. This is know as "modified interim" reporting. However, a tenant who has had a rent reduction between annual re-examinations reverts to "full interim reporting", which means that the tenant must report all changes in income, regardless of amount or source.
7. Families are required to report the following changes to the Crawfordville Housing Authority between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

1. A. A member has been added to the family through birth or adoption or court-awarded custody.
- 2.
3. B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Crawfordville Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

7. Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Crawfordville Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

 - B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Crawfordville Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

7. Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we will have make will be extremely difficult to make, but shall be in the best interest of our residents and community.

This Plan is based on the best information that was available to the Crawfordville Housing Authority at the time we prepared this Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we will need to make required revision to this Plan.

We calculated our Capital Fund Program Annual Statement estimated allocation for Fiscal Year 2000 based on 92% of the amount received for Fiscal Year 1999.

Please note that we have not provided preliminary cost estimates for any work items we plan to accomplish during Fiscal Year 2000. There has not been sufficient time to adequately prepare a detailed Annual Statement and meet the February 29, 2000 reporting deadline. For reporting purposes, we are allocating the first year funding to operations. We are establishing a special Replacement Reserve Account for tracking the utilization of our Capital Fund Program funds.

 - The Crawfordville Housing Authority will continue to market its public housing program to make families and elderly persons aware of the availability of decent, safe, sanitary and affordable housing in the City of Crawfordville.
 - The Crawfordville Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:
 - (1) Provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that provides violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
 - (3) To avoid concentrations of economically and socially deprived families in any of our public housing developments.
 - (4) To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
 - (5) To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that is representative of the range of incomes of low income families in our jurisdictions.

Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet all of the significant needs that exist in our jurisdiction, we are not optimistic about this objective. The problem is that we lack the resources to resolve all of our housing needs. Neither the Crawfordville Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to continue to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year.

- 4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The following information is taken from the State of Georgia Consolidated Plan Executive Summary and Annual Action Plan for FFY 1999 Consolidated Funds.

Executive Summary

The Consolidated Plan Executive Summary, prepared in April, 1999, reports that the housing and community development needs of Georgians are:

- Regardless of tenure, income or household size, the most common problem affecting all households is cost burden. One in every four households pay at least 30% of their income for housing. Approximately 39% of these cost burdened households and 10% of all households are severely cost burdened, devoting at least 50% of their income on housing costs.
- 41% of all renters, compared to 22% of all homeowners, have at least one housing problem.

- ❑ 40% of all Georgia households are of low or moderate income. Housing problems affect 75% of all extremely low income households.
- ❑ 64% of all elderly households are of low or moderate income, with the largest concentration in the extremely low income range. 30% of all small family households are of low or moderate income. Cost burden is the most significant problem affecting both elderly and small family households. 42% of all large family households are of low or moderate income. Overcrowding is the most significant concern of this household type.
- ❑ Insufficient income is the single largest barrier to affordable housing.
- ❑ Estimates based on the age of housing indicate that 1.1 million housing units in Georgia may contain lead-based paint. Some 127,000 low and moderate income households are at high-risk of exposure to lead-based paint hazards such as chipping or peeling paint and dust.

The Housing and Community Development Strategic Plan

Over five years the State anticipates providing assistance to put over 55,000 extremely low, low and moderate income households in affordable housing free of overcrowded, structurally substandard conditions, with supportive services where appropriate for populations with special need.

The Consolidated Plan divides the State's priorities into two categories based on function:

- (1) priorities to directly benefit low and moderate income households and
- (2) priorities to improve the production capacity of Georgia's affordable housing providers.

Direct Benefit Priorities:

- ❑ to increase the number of Georgia's low and moderate income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.
- ❑ To increase the number of Georgia's low and moderate income households who have achieved and are maintaining homeownership free of overcrowded and structurally substandard conditions.

Strategic Plan Five-Year Objectives

- ❑ The Strategic Plan estimates, based on resources expected to be available over a five year period, that the State will provide the following benefits for low and moderate income Georgians:
- ❑ Rehabilitate or construct 5,505 affordable rental units
- ❑ Provide rental assistance for 44,700 households
- ❑ Assist 6,750 households to achieve or maintain homeownership in housing free of overcrowded and structurally substandard conditions.
- ❑ Assist an average of 190 organizations annually to provide housing and supportive services to the homeless.
- ❑ Assist an average of 39 organizations annually to provide housing and supportive services to Georgia's Special Need populations.

Public Housing Authorities

The Consolidated Plan Executive Summary provides the following comments relating to Public Housing Authorities in Georgia.

Public Housing Authorities implement a large portion of Georgia's housing assistance effort. Local governments have created 202 PHAs, providing public housing. Seventeen PHAs offer Section 8 rental subsidies. PHAs utilize funds from public housing rent receipts, federal subsidies from HUD, and proceeds from bond issues for some development costs. Over 108,000 residents live in the 55,834 units of local public housing available across Georgia.

No public housing authorities are operated by the State. Therefore, the State has not developed a plan to encourage public housing residents to become more involved in the public housing management or to become owners of their units. However, the State encourages individual PHAs to develop such a plan with residents. The State also continues to encourage within its programs the transition of public housing residents into private housing living situations.

Action Plan For SFY 2000

The following activities are extracted from the State of Georgia Annual Action Plan for FFY 1999 Consolidated Funds, an Update to the State's FFY 1995 Consolidated Plan. The Update was prepared in April, 1999.

Part VI. Action Plan
