[24 CFR Part 903.7 9 (r)]

**GLENWOOD HOUSING AUTHORITY**

**EXECUTIVE SUMMARY**

***Overview***

*Since the passage of the National Housing Act in 1934, nothing has had greater impact on the administrative functions of HUD and the Public Housing Agencies (PHAs) than the passage of the October 21, 1998 **Quality Housing and Work Responsibility Act of 1998 (1998 Act)**. The 1998 Act, which was attached to the FFY-1999 Appropriations Bill, dramatically and permanently amends the laws governing the administration of the public housing and the Section 8 Programs.*

The focus of the 2020 Management Reform Plan is to prepare HUD to move into the 21<sup>st</sup> Century as a modernized and revitalized Department with restored public trust and adequate performance-based systems for its programs, operations and employees. Likewise, through the implementation of the 1998 Act, PHAs are required to assess management and operational practices and develop a plan that will ensure that the PHAs meet established goals and objectives. That Agency Plan is a combined Five-Year Plan and the Annual Plan.

Admittedly, changes must be made by HUD to streamline its most important functions and to increase efficiency within the Department. Reducing more than 300 programs and activities into 71 functional areas will not be an easy task. The transition of PHAs in adapting to the 2020 Management Reforms and complying with the requirements of the 1998 Act will also be significant.

For example, the 2020 Management Reform Plan will require that PHAs become more technically independent and more accountable for program integrity. The 1998 legislation, among other things, promotes such initiatives as reduction of rent subsidies; deregulation for high performing PHAs; fewer reporting requirements; merging the Section 8 Certificate and Voucher Programs; conversion of competitive grant programs to formula funding, etc.

This Agency Plan, specifically the Five-Year Plan, clearly defines the mission, goals and objectives of the Housing Authority of the City of Glenwood (also referred to as the Glenwood Housing Authority, Authority, and/or PHA). The Annual Plan establishes the direction this Authority will take in reaching the goals and objectives of the Authority for the next fiscal year.

### ***Purpose and Structure of the Agency Plan***

The purpose of the Agency Plan is to empower and equip the PHA to exercise optimum flexibility in meeting local housing needs within the community while meeting its own needs. The Agency Plan contains a *FY-2000-FY-2004 Five-Year Plan* that includes the Authority's mission and long range goals and objectives.

The *FY-2000 Annual Plan* addresses the Authority's immediate operations, current policies, program participants, programs and services, and the PHA's strategy for handling operational concerns, resident concerns and needs, and programs and services for the upcoming fiscal year. The Agency Plan outlines the PHA's efforts in meeting the needs of the very-low, low, and moderate-income population in its community as well as serves as a management, operational and accountability tool for the PHA.

Preliminary planning sessions were conducted with the Authority's residents, Resident Advisory Board, community leaders and organizations, and State and local authorities during the development of the Agency Plan to ensure that the needs of the residents and community are addressed in the Agency Plan. The Agency Plan is consistent with the Wheeler County Consolidated Plan.

This Agency Plan contains a FY-2000-FY-2004 Five-Year Plan (mission, goals and objectives) and a FY-2000 Annual Plan. Each of the 20 sections in the Agency Plan is preceded by a title page. An Annual Plan and/or update of the Agency Plan will be submitted to HUD annually at least 75 days before the start of the succeeding fiscal year.

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The selection of residents for occupancy of available units will be in conformance with all HUD guidelines and regulations and applicable Fair Housing and Equal Opportunity Requirements.

**Income Targeting**

The Housing Authority will admit for occupancy eligible families and strive for no less than 40% of available dwelling units occupied by eligible families whose incomes at the time of commencement of occupancy do not exceed 30% of the area median income.

**Deconcentration**

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority’s public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996;
- b. The family would be evicted as a result of the imposition of the minimum rent requirement;
- c. The income of the family has decreased because of changed circumstances, including loss of employment;
- d. A death in the family has occurred.

If a resident request a hardship exemption and the Authority can reasonably determine the hardship to be of a temporary nature, an exemption shall not be granted during the 90-day period beginning upon the making of a request for the exemption. A resident shall not be evicted during the 90-day period for non-payment of rent. In such a case, if the resident thereafter demonstrates that the financial hardship is of a long-term basis, the Authority shall retroactively exempt the resident from applicability of the minimum rent requirement for such 90-day period.

#### Rent Reductions Relative to Public Assistance Benefits Reductions

In the event a family's public assistance benefits are reduced due to non-compliance with program requirements or fraud, the Authority may not reduce the family's rent. The Authority will not refuse to decrease a family's rental contribution due to a reduction in public assistance benefits until it receives official, written notification from the welfare agency indicating that the

**DECONCENTRATION POLICY**

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority’s public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

In order to achieve deconcentration, the PHA may choose to skip an applicant on the waiting list in order to house a family who is willing to accept a unit in a targeted development. The PHA may also grant incentive rents (or other incentives) the purpose of creating mixed income communities and lessening the concentration of extremely-low and very-low income families in one area. The applicant family shall have sole discretion of determining whether to accept the incentive and the Housing Authority shall not take any adverse action toward any eligible family for choosing not to accept an incentive.

The following chart is an analysis of GHA’s current resident population. This chart will be updated at least annually to ensure that GHA’s developments remain deconcentrated.
