3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit:
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Housing Authority of the City of Lincolnton will make a preliminary determination of eligibility. The Housing Authority of the City of Lincolnton will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Housing Authority of the City of Lincolnton determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Housing Authority of the City of Lincolnton will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Housing Authority of the City of Lincolnnton will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Housing Authority of the City of Lincolnnton will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Housing Authority of the City of Lincolnnton employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Housing Authority of the City of Lincolnnton will consider objective and reasonable aspects of the family's background, including the following:

- 1. 1. History of meeting financial obligations, especially rent;
- 2. 3. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
- 1. 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

1. 4. History of disturbing neighbors or destruction of property;
1. 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
1. 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Housing Authority of the City of Lincolnton will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Housing Authority of the City of Lincolnton will verify the information provided. Such verification may include but may not be limited to the following:

1. 1. A credit check of the head, spouse and co-head;
2. 2. A rental history check of all adult family members;
3. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Housing Authority of the City of Lincolnton may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

c. Yes No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

The Housing Authority of the City of Lincolnton will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Housing Authority of the City of Lincolnton will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

10.7 Rejection of Unit

If in making the offer to the family the Housing Authority of the City of Lincolnton skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority of the City of Lincolnton did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Housing Authority of the City of Lincolnton occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Housing Authority of the City of Lincolnton when a transfer is the only or best way of solving a serious problem.

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The following narrative and forms outline our Plan.

The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we will be making for the ensuing fiscal year will be extremely difficult to make, but will be in the best interest of our residents and community.

Please note that we have not identified cost estimates for the work items we plan to accomplish during our Fiscal Year beginning October 1, 2000 in the Annual Statement. In accordance with current HUD Regulations, we have opted to allocate the first year funding to operations. Please note, however, we plan to continue the comprehensive

modernization of our public housing properties utilizing Capital Fund Program funds as they are made available to the Housing Authority.

When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to enhance the affordable housing available in our community. We intend to continue working with our local partners to try and meet these identified needs.

This year we expect to continue to utilize the funds we receive for our existing programs to house people. We will be focusing on management improvements and modernization. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The following information is taken from the State of Georgia Consolidated Plan Executive Summary and Annual Action Plan for FFY 1999 Consolidated Funds.

Executive Summary

The Consolidated Plan Executive Summary, prepared in April, 1999, reports that the housing and community development needs of Georgians are:

- Regardless of tenure, income or household size, the most common problem affecting all households is cost burden. One in every four households pay at least 30% of their income for housing. Approximately 39% of these cost burdened

households and 10% of all households are severely cost burdened, devoting at least 50% of their income on housing costs.

- ❑ 41% of all renters, compared to 22% of all homeowners, have at least one housing problem.
- ❑ 40% of all Georgia households are of low or moderate income. Housing problems affect 75% of all extremely low-income households.
- ❑ 64% of all elderly households are of low or moderate income, with the largest concentration in the extremely low-income range. 30% of all small family households are of low or moderate income. Cost burden is the most significant problem affecting both elderly and small family households. 42% of all large family households are of low or moderate income. Overcrowding is the most significant concern of this household type.
- ❑ Insufficient income is the single largest barrier to affordable housing.
- ❑ Estimates based on the age of housing indicate that 1.1 million housing units in Georgia may contain lead-based paint. Some 127,000 low and moderate income households are at high-risk of exposure to lead-based paint hazards such as chipping or peeling paint and dust.

The Housing and Community Development Strategic Plan

Over five years the State anticipates providing assistance to put over 55,000 extremely low, low and moderate income households in affordable housing free of overcrowded, structurally substandard conditions, with supportive services where appropriate for populations with special need.

The Consolidated Plan divides the State's priorities into two categories based on function:

- (1) priorities to directly benefit low and moderate income households and
- (2) priorities to improve the production capacity of Georgia's affordable housing providers.

Direct Benefit Priorities:

- ❑ to increase the number of Georgia's low and moderate income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.

- ❑ To increase the number of Georgia's low and moderate-income households who have achieved and are maintaining home ownership free of overcrowded and structurally substandard conditions.

Strategic Plan Five-Year Objectives

- ❑ The Strategic Plan estimates, based on resources expected to be available over a five year period, that the State will provide the following benefits for low and moderate income Georgians:
 - ❑ Rehabilitate or construct 5,505 affordable rental units
 - ❑ Provide rental assistance for 44,700 households
 - ❑ Assist 6,750 households to achieve or maintain home ownership in housing free of overcrowded and structurally substandard conditions.
 - ❑ Assist an average of 190 organizations annually to provide housing and supportive services to the homeless.
 - ❑ Assist an average of 39 organizations annually to provide housing and supportive services to Georgia's Special Need populations.

Public Housing Authorities

The Consolidated Plan Executive Summary provides the following comments relating to Public Housing Authorities in Georgia.

Public Housing Authorities implement a large portion of Georgia's housing assistance effort. Local governments have created 202 PHAs, providing public housing. Seventeen PHAs offer Section 8 rental subsidies. PHAs utilize funds from public housing rent receipts, federal subsidies from HUD, and proceeds from bond issues for some development costs. Over 108,000 residents live in the 55,834 units of local public housing available across Georgia.

No public housing authorities are operated by the State. Therefore, the State has not developed a plan to encourage public housing residents to become more involved in the public housing management or to become owners of their units. However, the State encourages individual PHAs to develop such a plan with residents. The State also continues to encourage within its programs the transition of public housing residents into private housing living situations.
