### **3. PHA Policies Governing Eligibility, Selection, and Admissions**

[24 CFR Part 903.10 9 (c)]

#### **A. Public Housing**

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

##### **(1) Eligibility**

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

The application process requires the family to make an appointment to complete an application. The family must provide basic information establishing any preferences to which they may be entitled, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Upon receipt of the family's application, the Hinesville Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's eligibility for admission into the public housing program.

The Hinesville Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Hinesville Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Hinesville Housing Authority will annotate the applicant's file and will update their place on the waiting list.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

### 8.3 Suitability

7.

8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Hinesville Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Hinesville Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

7. B. The Hinesville Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent;
2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or

housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
  3. History of disturbing neighbors or destruction of property;
  4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
  5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Hinesville Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Hinesville Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head;
  2. A rental history check of all adult family members;
  3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Hinesville Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
  4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

- c.  Yes  No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- d.  Yes  No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- e.  Yes  No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

- Emergencies
- Overhoused

- Resident choice: (state circumstances below)
- Other: (list below)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

## 16.0 Unit Transfers

### 16.1 Objectives of the Transfer Policy

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
1. B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
1. C. To facilitate a relocation when required for modernization or other management purposes.
1. D. To facilitate relocation of families with inadequate housing accommodations.
1. E. To provide an incentive for families to assist in meeting the Hinesville Housing Authority's deconcentration goal.
1. F. To eliminate vacancy loss and other expense due to unnecessary transfers.

### 16.2 Categories of Transfers

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Hinesville Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Hinesville Housing Authority when a transfer is the only or best way of solving a serious problem.

### 16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### 16.4 Incentive transfers

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

### 16.5 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Hinesville Housing Authority and the family rejects two offers without good cause, the Hinesville Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Hinesville Housing Authority's optimum occupancy standards, the family may request in writing to stay in the

unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

## 16.6 Cost of the family's move

- 7. The cost of the transfer generally will be borne by the family in the following circumstances:
  - A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
  - B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
  - C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
  - D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.
- 7. The cost of the transfer will be borne by the Hinesville Housing Authority in the following circumstances:
  - A. When the transfer is needed in order to carry out rehabilitation activities; or
  - B. When action or inaction by the Hinesville Housing Authority has caused the unit to be unsafe or inhabitable.
- 7.
- 8. The responsibility for moving costs in other circumstances will be determined on a case by case basis.

## 16.7 Tenants in good standing

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Hinesville Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

## 16.8 Transfer Requests

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Hinesville Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Hinesville Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Hinesville Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

## 16.9 Right of the Hinesville Housing Authority in transfer policy

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

#### **(1) Capital Fund Program Annual Statement**

Using parts I, II, and III of the Annual Statement for the Capital Fund Program (CFP), identify capital activities the PHA is proposing for the upcoming year to ensure long-term physical and social viability of its public housing developments. This statement can be completed by using the CFP Annual Statement tables provided in the table library at the end of the PHA Plan template **OR**, at the PHA's option, by completing and attaching a properly updated HUD-528310.

Select one:

- The Capital Fund Program Annual Statement is provided as an attachment to the PHA Plan at Attachment (state name)

-or-

- The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The following forms are our Plan. The needs we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Plan is based on the best information that was available to the Hinesville Housing Authority at the time we prepared this Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we will need to make required revision to this Plan.

We calculated our Capital Fund Program Annual Statement estimated allocation for Fiscal Year 2000 based on 92% of the amount received for Federal Fiscal Year 1999. For the FFY 1999, we received \$138,390. Ninety-two (92) percent of that amount is \$127,319.

Please note that we have not provided preliminary cost estimates for the work items we plan to accomplish during our Fiscal Year beginning October 1, 2000. In accordance with the Capital Fund Program final rule, we are exercising our option to allocate the first year funding to operations.

We anticipate that during the ensuing fiscal year we will be in a better position to know the amount of Capital Funds we can expect to be allocated over the next five years.

**The Housing Authority of the City of Hinesville is located in the City of Hinesville, a non-entitlement city in Liberty County. The jurisdiction of the Consolidated Plan encompasses the State of Georgia.**

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

- The Housing Authority of the City of Hinesville will continue to maintain and renovate its public housing units.
- The Housing Authority of the City of Hinesville will continue to provide accessible housing in the public housing program to persons with disabilities.
- The Housing Authority of the City of Hinesville will continue to market its public housing program to make families and elderly persons aware of the availability of decent, safe, sanitary and affordable housing in the City of Hinesville.
- The Housing Authority of the City of Hinesville Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:

- (1) Provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.
- (2) To operate a socially and financially sound public housing agency that provides violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
- (3) To avoid concentrations of economically and socially deprived families in any of our public housing developments.
- (4) To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
- (5) To attempt to house a tenant body in each development that is composed of families that is representative of the range of incomes of low income families in our jurisdiction. To promote upward mobility opportunities for families who desire to achieve self - sufficiency.
- (6) To facilitate the judicious management of our inventory and efficient management of our staff.
- (7) To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

**Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet all of the significant needs that exist in our jurisdiction, we are not optimistic about this objective. The problem is that we lack the resources to resolve all of our housing needs. Neither the Hinesville Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to continue to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year.**

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The following information is taken from the State of Georgia Consolidated Plan Executive Summary and Annual Action Plan for FFY 1999 Consolidated Funds.

## Executive Summary

The Consolidated Plan Executive Summary, prepared in April, 1999, reports that the housing and community development needs of Georgians are:

- ❑ Regardless of tenure, income or household size, the most common problem affecting all households is cost burden. One in every four households pay at least 30% of their income for housing. Approximately 39% of these cost burdened households and 10% of all households are severely cost burdened, devoting at least 50% of their income on housing costs.
- ❑ 41% of all renters, compared to 22% of all homeowners, have at least one housing problem.
- ❑ 40% of all Georgia households are of low or moderate income. Housing problems affect 75% of all extremely low income households.
- ❑ 64% of all elderly households are of low or moderate income, with the largest concentration in the extremely low income range. 30% of all small family households are of low or moderate income. Cost burden is the most significant problem affecting both elderly and small family households. 42% of all large family households are of low or moderate income. Overcrowding is the most significant concern of this household type.
- ❑ Insufficient income is the single largest barrier to affordable housing.
- ❑ Estimates based on the age of housing indicate that 1.1 million housing units in Georgia may contain lead-based paint. Some 127,000 low and moderate income households are at high-risk of exposure to lead-based paint hazards such as chipping or peeling paint and dust.

### The Housing and Community Development Strategic Plan

Over five years the State anticipates providing assistance to put over 55,000 extremely low, low and moderate income households in affordable housing free of overcrowded, structurally substandard conditions, with supportive services where appropriate for populations with special need.

The Consolidated Plan divides the State's priorities into two categories based on function:

- (1) priorities to directly benefit low and moderate income households and

(2) priorities to improve the production capacity of Georgia's affordable housing providers.

Direct Benefit Priorities:

- ❑ to increase the number of Georgia's low and moderate income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.
- ❑ To increase the number of Georgia's low and moderate income households who have achieved and are maintaining homeownership free of overcrowded and structurally substandard conditions.

Strategic Plan Five-Year Objectives

- ❑ The Strategic Plan estimates, based on resources expected to be available over a five year period, that the State will provide the following benefits for low and moderate income Georgians:
  - ❑ Rehabilitate or construct 5,505 affordable rental units
  - ❑ Provide rental assistance for 44,700 households
  - ❑ Assist 6,750 households to achieve or maintain homeownership in housing free of overcrowded and structurally substandard conditions.
  - ❑ Assist an average of 190 organizations annually to provide housing and supportive services to the homeless.
  - ❑ Assist an average of 39 organizations annually to provide housing and supportive services to Georgia's Special Need populations.

Public Housing Authorities

The Consolidated Plan Executive Summary provides the following comments relating to Public Housing Authorities in Georgia.

Public Housing Authorities implement a large portion of Georgia's housing assistance effort. Local governments have created 202 PHAs, providing public housing. Seventeen PHAs offer Section 8 rental subsidies. PHAs utilize funds from public housing rent receipts, federal subsidies from HUD, and proceeds from bond issues for some development costs. Over 108,000 residents live in the 55,834 units of local public housing available across Georgia.

No public housing authorities are operated by the State. Therefore, the State has not developed a plan to encourage public housing residents to become more involved in the public housing management or to become owners of their units. However, the State encourages individual PHAs to develop such a plan with residents. The State also continues to encourage within its programs the transition of public housing residents into private housing living situations.
