ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This PHA is in the second year of recovering from the actions and inactions of the previous Executive Director who caused the loss of nearly all the agency's Cash Reserve and a subsequent failing score on the financial indicator for the FY98 PHMAP/PHAS and the FY99 PHAS, as well. In two years we have not only markedly improved the agency's financial condition but also overall operations. We have moved from an overall PHMAP score for FY97 of 63.54 to a 79.5 PHAS score for FY99. If not for a 53% score on the financial indicator (up from 21.67% for FY98), this HA would have received an overall score of 91% for FY99. Our immediate goal for FY01 is to continue to improve the financial condition of this HA to a better than passing score on the PHAS financial indicator. Furthermore, we want to continue to improve in all other PHAS indicators to the High Performer level.

Our major longer-term goals are to improve the condition and marketability of all our residences and common areas/grounds (appearance, utility, and safety) with an emphasis on the units impacted by our initiative to deconcentrate poverty. And secondly, our other major long-term goal is to appropriately increase this HA's public housing holdings to better meet the needs of our community. It must be said and noted that we can only be successful of the aforementioned goals if HUD provides the required PFS funding, capital improvement funds and new development funding
