[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Bloomington, Illinois has prepared this Agency Plan in accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following Mission Statement to guide the activities of the Bloomington Housing Authority.

The mission of the Bloomington Housing Authority is to provide quality affordable housing opportunities and services.

The Housing Authority holds in its portfolio two high rise apartment buildings designed for elderly and disabled residents, four family developments, one garden style low rise site designed for seniors, four buildings designed for developmentally disabled individuals, and one scattered site development. In all, the Housing Authority has 633 apartments in 66 buildings. In addition to these buildings, the Housing Authority also operates a Section 8 rental assistance program.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and

objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the local Consolidated Plan. Here are just a few highlights of our Annual Plan:

- Applicants will be selected from the waiting list by preferences and in order of the date and time they applied.
- We have adopted a tenacious deconcentration policy.
- We have established flat rents for all of our developments.
- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. Our screening practices will meet fair housing requirements.
- In an attempt to encourage work and advancement in the workplace, we are allowing exclusions to income for working families.

In summary, we are on course to improve the condition of affordable housing in the Bloomington Housing Authority.

Whenever possible we will respond to HUD Notices of Funding Availability to increase the amount of affordable housing in Bloomington, Illinois.

## DECONCENTRATION POLICY

### **PUBLIC HOUSING:**

In an ongoing effort for The Housing Authority to meet or exceed the laws and regulations regarding its public housing programs, the following Deconcentration Policy has been developed in order to comply with the Quality Housing and Work Responsibility Act of 1998, Section 513.

**INCOME MIX TARGETING:** To meet the requirements of the Act, and subsequent HUD regulations, at least 40 percent of families admitted to public housing by the Housing Authority must have incomes that do not exceed 30% of the area median. If 40% or more of the housing authority units are occupied by families whose incomes do not exceed 30% of the area median income, this requirement shall be considered as being met.

**PROHIBITION OF CONCENTRATION OF LOW-INCOME FAMILIES:** The housing authority may not, in meeting this income mix targeting, concentrate very low-income families, or other families with relatively low incomes, in public housing units in certain developments. The Housing Authority will review the income and occupancy characteristics of the housing site to ensure that a low-income concentration does not occur.

**DECONCENTRATION:** The Housing Authority shall make every effort to deconcentrate families of certain income characteristics within the PHA complexes. To achieve this, the Housing Authority may offer incentives for eligible families having higher incomes to occupy dwelling units in projects predominantly occupied by eligible families having lower incomes. At this time the family developments have homogeneous average incomes. They vary only from \$6,500 per year to \$9,500 per year. As all average income for families is lower than 30% of the median income of our area our goal is to attract higher income residents at Evergreen.

We will offer incentives to any families who have incomes above 30% of the median income. These incentives will include a single person could rent a 2-bedroom apartment, each family member could have their own bedroom, and we could reduce the monthly rent by utilizing additional deductions when determining rent. Those additional deductions would include travel costs to work, uniforms, union dues, and income tax deductions. Incentives by the Housing Authority allow for the eligible family to have the sole discretion in determining whether to accept the incentive and the agency may not take any adverse action toward any eligible family for choosing not to accept these incentives. The skipping of a family on the waiting list to reach another family to implement this Deconcentration Policy shall not be considered an adverse action. As such, the Housing Authority will continue to accept applications and place the individuals on a waiting list. Selection will be made based on a combination of the local preferences and an income target mix. Any eligible family who qualifies as a higher income family may accept a dwelling unit assignment and be placed randomly into a vacant housing unit.

The Housing Authority will track the income mix within each project and housing site, as an effort to avoid a concentration of higher or lower income families in any one development.

The HUD FY 99 Income Limits and Fair Market Rent Data show the Median Income for Bloomington is \$52900 for a family of four. Thirty (30) percent of the median income is \$15850.

Thirty (30) percent of the Median Income per number in a household is as follows:

Number of Persons	1	2	3	4	5	6	7	8
Amount	11100	12700	14300	15850	17150	18400	19700	20950

The Housing Authority of the City of Bloomington has 633 units of Low Rent housing available. Per the QHWRA of 1998, forty (40) percent of the newly leased units must be housed with families with incomes 30% or less of the median income. A breakdown of units leased from 1/1/99 to 7-28-99 showed that 66 units were leased during that time period. Sixty-one (61), or 92% of the families who moved into our units during 1999 have incomes at, or below thirty (30) percent of median income, which surpasses the QHWRA of 1998 requirements by sixty-two (62%) percent.

Efforts through marketing and outreach shall be made to increase the number of families with incomes greater than thirty (30) percent of median income at Evergreen. We will do this in order to avoid concentrations of very low-income families in the projects as per the requirements of the QHWRA of 1998.

## Section 2: PHDEP Plan Goals and Budget

### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Our Public Housing Drug Elimination Program uses a community-wide approach to achieve the goal of eliminating drugs and drug-related crime in public housing. The program has many participants from the community and great support from residents, Resident Councils, the police department, and local social service agencies. We have designed program activities to directly address the crime statistics supplied by the Bloomington Police Department for each targeted site and to also address the safety concerns of our residents. We will evaluate the PHDEP on an “outcomes” basis using tools designed by the University of Illinois and Illinois State University. Each activity in the grant will be evaluated using previously established goals and objectives.

## RESIDENT COMMENTS

The Bloomington Housing Authority has engaged in an extensive process of seeking resident and public comments on our Agency Plan. In the course of compiling the Plan we engaged in the following process.

In compliance with Section 511 of the QHWRA a Resident Advisory Board was established. Program participants from the public housing program and Section 8 program were appointed to serve on the RAB. Resident Council officers from each development were asked to serve on the RAB. Letters were sent to all Section 8 participants seeking participants to serve on the RAB.

The first meeting of the RAB was held on April 1, 1999 at the administrative office of the Bloomington Housing Authority. Present at the meeting was Kim Holman-Short, Executive Director; Floyd Hutchinson, President of the Executive Council and President of Wood Hill Towers; Anita Moore, President of Sunnyside Court; Gwen Graham, President of Holton Homes; and Betty Middleton, Section 8 participant.

Kim Holman-Short began the meeting by thanking everyone for volunteering to serve on the RAB. An overview of the purpose of the RAB, the Agency Plan and QHWRA was given by Kim Holman-Short. Deadlines for completing the Agency Plan was outlined.

The next RAB meeting was held on August 9, 1999. Present at the meeting was Kim Holman-Short, Executive Director; Floyd Hutchinson, President of the Executive Council and President of Wood Hill Towers; Betty Middleton, Section 8 participant; and Becky Guy, Section 8 participant.

A draft Administrative Plan for the RAB was presented for discussion. This plan will establish the purpose of the RAB and officers for the RAB. The next meeting of RAB was set for September 13, 1999.

At the next meeting of the RAB on September 13, 1999, the RAB reviewed the RAB Administrative Plan. Floyd Hutchinson recommended that the RAB composition include Resident Councils Presidents from each of the seven public housing developments and Section 8 participants. The PHA shall make every effort to have representation on the RAB from each group. At public housing developments where there are no duly elected Resident Council President, a resident from that development shall be appointed to serve on the RAB. The draft Agency Plan was discussed and proposed changes of the Admission and Continued Occupancy Plan and the dwelling lease changes were reviewed. The next meeting was scheduled for September 21, 1999.

The final meeting of the RAB was held on September 21, 1999. Present at the meeting were Kim Holman-Short, Executive Director; Donna Nickels, Assistant Executive Director; Floyd Hutchinson, President of the Executive Council and President of Wood Hill Towers; and Betty Middleton, Section 8 participant.

Kim Holman-Short and Donna Nickels discussed the pet policy. The pet deposit will be refunded after the unit has been inspected. Conditions the resident must meet to receive approval by the PHA for a pet includes: the resident must be in good standing with the PHA; such as no poor housekeeping issues and current rent history.

Donna Nickels presented the Flat Rent to the RAB. The PHA established the Flat Rent after reviewing the Section 8 rent schedule and the rent reasonable schedule for Section 8.

Donna Nickels reviewed the utility allowances schedule, and the dwelling lease changes.

The RAB provided the following comments on the Agency Plan.

Members of the RAB do not support pets in the family development. It was recommended that all cats must be declawed. Floyd Hutchinson recommended the PHA consider a longer grace period for residents to pay the rent before a late charge is assessed.

Officers for RAB were selected. Floyd Hutchinson made a motion to appoint Anita Moore as Chair, Betty Middleton as Vice-chair and Kim Holman-Short as Secretary for the RAB. This motion was seconded by Betty Middleton. All present voted "aye". Motion passed.

Kim Holman-Short informed the RAB that the Public Hearing would be scheduled for November 8, 1999.

Attached is a copy of the advertisement we ran, sign in sheet from the public hearing, and comments we received .

Randy Carey said there is a need for housing for young disabled family. The PHA will continue to apply for vouchers designed for disabled when funds are available.

Several of the residents from Wood Hill Towers support the Convenience Transfer policy and recommend the PHA continue with this initiative. The residents recommend the Convenience Transfer policy has provision that allow transfers under this policy for hardship conditions.

The PHA will continue to allow Convenience Transfers and have developed a policy that outlines the conditions that allows a resident to transfer.

Residents did not support changing the date that late fees would be assessed for rent payments.

The PHA changed the proposed date from the 7<sup>th</sup> day of the month to the 6<sup>th</sup> day of the month that a late fee will be assessed for paying rent.
