### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR** and the Agency's reasons for choosing this strategy.

#### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction (if necessary to maintain lease-up levels)
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)  
It is a goal of GHA to increase the number of units available to families. One method is to increase rent percentage to 110%. GHA will use the rent reasonableness form, as a guide for accessing the quality of unit that will exceed 100% of FMR. Through analysis, GHA is able to determine that 30% of the units assisted have scored more than 70 points on the rent reasonableness form. Any new units scoring higher than 70 points will be allowed rents up to 110% of FMR. This procedure will be analyzed and included in the Ad-min Plan during the next year.

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance. Pursue transitional housing with Section 8 Vouchers attached to it.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

**Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

**Need: Specific Family Types: Families with Disabilities**

**Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)  
GHA was awarded 40 Mainstream Vouchers for Persons with Disabilities and has entered partnerships with ADEC and Oaklawn agencies who offer case management for persons with disabilities so that the clients are better able to live independently.

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs

- Other: (list below)
